The Cloud of God's Glory

In a shocking biblical event, the pillar of God's cloud descended from heaven right into the 2012 Kisumu meeting.

INTRODUCTION

The Anointing & The Glory of God

The Church of Christ is still as much of heaven's soliciude as in the days when the Lord Jesus walked the earth, and taught men of common occupation in the noonday, in the marketplace. This beloved endearment is regardless of the current backdrop of embarrassing apostasy that is today being witnessed in the present-day church of Christ. This heavenly concern is largely due to the fact that the church still constitutes that royal and priestly bride who will sit at the wedding feast of the Lamb in heaven. For that reason, despite the degrading fall and despicable corruption that is currently ongoing in the house, Jehovah has availed this window of reprieve by opening heaven unto her. Biblically, whenever the Lord...
opened heaven upon Israel, HE often visited them in the most powerful GLORY OF HIS PRESENCE. In this way, GOD ALMIGHTY always sends HIS power to achieve HIS divine holy purpose on the earth. GOD’s power that accomplishes HIS will on the earth is only resident in the life of GOD. However, the two ways in which GOD sends that divine power to effect revival upon humanity, are: i) through an established, qualified and delegated agency (individual), or, ii) by GOD HIMSELF coming down to the earth to execute the agenda of HIS glorious Kingdom among HIS people. Regardless of the avenue employed by GOD for channelling HIS power, the end result however must always remain the same; that the purposes of GOD’s will be fully achieved on the face of the earth. Whenever the LORD chooses to delegate HIS power through an appointed agency (individual), that power is often defined as the anointing of GOD upon that person. And in that way, the individual concerned must always tap into the life of GOD in order to attain HIS power, and hence display the manifestation of GOD’s power, at his assignment. That inevitably means that the appointed person must line up their lives with the life of GOD. That is the way in which the LORD Jesus HIMSELF was anointed to achieve the purposes of GOD on the earth.

**anointing of GOD where HE deliberately delegates HIS life and power to an individual, the revelation of GOD however, often involves the PERSON OF THE GODHEAD HIMSELF coming down to the earth in the form of the physically visible REVERED GLORY OF GOD. The level of exploits one can achieve for the glorious Kingdom of GOD therefore depends on the demonstrable amount of GOD’s life in them, and the expressed amount of verifiable power of GOD in them. Such power is evidenced through the manifestation of the anointing apportioned unto such an individual. This indeed points to the fact that the beholder of the anointing of GOD must always inevitably be closer and closer to GOD HIMSELF as the anointing authority. By this, the anointing of GOD through HIS Spirit often cleanses out sin and creates a vessel of honour in the beholder of that power. That can only imply then, that when the CLOUD of GOD’S GLORY descended and visited the Mega Kisumu Revival Meeting, it was as a matter of fact the FEARSOME REVELATION of GOD that took place in the church. The REVELATION of GOD is the act of GOD HIMSELF actually revealing and disclosing HIMSELF in HIS REVERED materialized PERSONA to the church. It essentially refers to the striking disclosure of the PERSON OF THE GODHEAD, in a manner not realized before, in the church of Christ. This is what practically catapulted the Kisumu visitation of the CLOUD of GOD as not only a monumental historic occurrence of our time, but also one of its own unequalled rank.

**REVELATION OF GOD**

**WHY THE GODHEAD CHOOSES TO REVEAL HIMSELF TO MANKIND**

**FEAR OF GOD**

*W hen GOD The Father heard about the atrocities that were being committed by the citizens of Egypt against HIS bonafide blessed people Israel, it truly struck HIS heart with the greatest of pain and brought a serious hurt unto HIM. It is because of that severe agony which GOD THE FATHER HIMSELF felt towards HIS people Israel that caused HIM to put in place a formidable set of modalities to deliver them from that harsh Egyptian slavery and oppression. Owing to the gravity of that cruel repression that even entailed the killing of the male child, GOD decided to come down as the GODHEAD and deliver them HIMSELF. However, in that liberation of Israel, so much was concealed about the intended deliverance of the church from the cruel claws of the adversary. As the blood of the Lamb splattered and splashed around the compounds of the Israelites, and sheltered their homes from the fearsome visitation of the GODHEAD HIMSELF, so was the BLOOD of Jesus also intended to SANCTUARY the souls of men, that they may one day be able to stand before the GODHEAD HIMSELF.

> “Be always on the watch, and pray that you may be able to escape all that is about to happen, and that you may be able to stand before the Son of Man.” (Luke 21:36)

Rarely does the GODHEAD visit mankind. However, on every occasion when HE has chosen to do so, such a visitation has often brought with it a great perplexity and distress among HIS people. This has become one of the main reasons for which the GODHEAD always once in a while chooses to visit HIS complacent people by HIMSELF as an act of great awakening. Whenever the GODHEAD HIMSELF decides to descend upon the earth in the revered CLOUD of HIS GLORY, it often results into a widespread FEAR OF GOD among the people, owing to the magnitude of HIS appearance in the form of thick CLOUD, earthquake, trumpet blasts and flames. This is what often compels HIS people to go into a large scale serious REPENTANCE for the fear of wrath. Thus, many times the GODHEAD will visit HIS people by HIMSELF in order to restore this reverent FEAR OF GOD among HIS elect and bring forth an extensive purging of decay, immorality, corruption, and all manner of sin. In this way, the GODHEAD HIMSELF initiates forth a massive REPENTANCE REVIVAL in order to awaken HIS people and restore
them to HIMSELF. Such was the case with Israel at the hour of her greatest rebellion, when THE GODHEAD HIMSELF decided to visit her in order to restore her to HIMSELF, in that wilderness encounter.

16 On the morning of the third day there was thunder and lightning, with a thick cloud over the mountain, and a very loud trumpet blast. Everyone in the camp trembled. 17 Then Moses led the people out of the camp to meet with God, and they stood at the foot of the mountain. 18 Mount Sinai was covered with smoke, because the LORD descended on it in fire. The smoke billowed up from it like smoke from a furnace, and the whole mountain trembled violently. 19 As the sound of the trumpet grew louder and louder, Moses spoke and the voice of God answered him. 20 The LORD descended to the top of Mount Sinai and called Moses to the top of the mountain. So Moses went up 21 and the LORD said to him, “Go down and warn the people so they do not force their way through to come up to the Lord. But the priests and the people must not force their way through to come up to the Lord, or he will break out against them.”

22 And the people could not come up Mount Sinai, because you yourself warned us, “Put limits around the mountain and set it apart as holy.” 23 Moses said to the Lord, “The people cannot come up Mount Sinai, because you yourself warned us, ‘Put limits around the mountain and set it apart as holy.’” 24 The LORD replied, “Go down and bring Aaron up with you. But the priests and the people must not force their way through to come up to the Lord, or he will break out against them.”

(Ex 19:16-24).

By all perceivable standards, order had broken down in the camp at that wilderness place, to the extent that frequent heckling and ranting at Moses now became the order of day. This act from among the Israelites, greatly diminished the authority of GOD that Moses was intended to wield as he points them to the right direction towards the Promised land. Therefore, we see that the breakdown of law and order in the Israelite camp was as a matter of fact the reflection of the loss of the FEAR OF GOD that had now blossomed in their hearts. And for the GODHEAD to decide that HE is coming down HIMSELF to sort matters out HIMSELF, it must have become a grievous issue that definitely tipped the threshold in heaven. Put in words, GOD ALMIGHTY seems to have reached the end of the road with this people since they did not reserve any residual decorum towards Moses. The seem to have spent it all on matters of daily survival and livelihood. It is this lack of the FEAR OF GOD that indeed registered in heaven as a grave imprudence. Many times in the bible, the LORD has well underscored that such lack of wisdom among HIS people is indeed very deadly for a generation that really needed GOD.

28 And he said to the human race, “The fear of the Lord—that is wisdom, and to shun evil is understanding.” (Job 28:28). For that matter, when the GODHEAD HIMSELF decided to descend and visit the church at the Mega Kisumu Revival Meeting on that December 31st, 2012, HE must have intended to bring up a great awakening within the church. Of late, the church of Christ, and especially the pulpit has largely operated outside the realm of the FEAR OF GOD. Like Israel, it is this lawlessness that must have tipped the threshold of the heavenly scales and caused THE GODHEAD HIMSELF to intervene for purposes of Christ Jesus the Bridegroom. The GODHEAD must have thus purposed that upon HIS visitation, the church would see HIS Serious Materialized Physical Form of the Fearsome Cloud of GLORY, and be thrown into sombre perplexity in order to restore the lost FEAR OF GOD in the church. In so doing, the GODHEAD must have deliberately intended to stir up a great awakening about GOD within the church, and ignite forth a serious REPENTANCE REVIVAL for the lukewarmness and backsliding committed in the house. This is what would throw not only the church, but the entire global community into the biggest REPENTANCE wave of our time. Put together, the awe, the FEAR OF GOD, the REPENTANCE REVIVAL, and the return to holiness are the spiritual fundamentals that this visitation of the GODHEAD was intended to inject into that long-awaited process of PREPARING THE WAY for the glorious coming of the Messiah. For Israel, the visitation of the GODHEAD on that Mt. Sinai occasion, brought with it such a terror because it essentially revealed the Severity of GOD, thereby causing them to humble and request for forgiveness of sins. Things got so bad at that mountain visitation that the Israelites in fact avowed that they would rather GOD Speaks to them through Moses than get to see the consuming wrath that defines the Presence of the GODHEAD. In fact from that day on it became vividly clear in their minds that meeting the GODHEAD was nothing short of death itself.

For the church, this fearsome visitation of the GODHEAD HIMSELF couldn't have come at a better time than this! This is the hour when the church is right on the heels...
of repeating the same mistakes that Israel committed. The rampant abuse of the grace and lack of the FEAR OF GOD which has infected the present-day House of GOD is what has indeed left the LORD with no choice but to PERSONALLY intervene on behalf of the Christ. This have become so blatant that Christians now almost treat GOD as their 'elder brother'! The horridous sacrifice that the Messiah laid down with HIS Own Life at the Altar of the Cross has today been treated as nothing by none other than the church herself! Pastors and Shepherd have openly come out to announce their gayism and their endorsement of homosexuality as an acceptable lifestyle in the present-day church! If this level of abomination does not cause the GODHEAD HIMSELF to attend to this matter, what is it that the present-day believer expects would threshold in heaven! Prostitution and sexual sin have invaded the church in a manner never witnessed before, to the extent that it now common order to find displaying their nudity and nakedness in the House of the LORD during worship! While all this goes on the false prophets and false apostles are on the other busy defiling the bride, repeatedly, again and again through the gospel of prosperity that centres the love of money at the heart of the church. Indeed abomination and blasphemy by the present-day believers has become so widespread that it is indeed world over. All the sundry, definitely knew that it would just be a matter of time before the GODHEAD HIMSELF came down to attend to this grievous matter. To say that the GODHEAD needed to come down and bring the seriousness of HIS enormity in to the House would be an understatement. HE had to come down owing to how late in the day it is for the coming of the King. And indeed that process of PREPARING THE WAY for the coming of the LORD can only be achieved in this day and age, by the GODHEAD HIMSELF drawing HIS people back to HIMSELF through a genuine penitent remorsefulness. This is how He stages a ferocious fight for the SON OF MAN that is coming. Like Israel, today’s church of Christ ought to be on their knees right now repenting for the blasphemies, abominations, lukewarmness, and backsliding that has been so witnessed in the church of Christ. One cannot imagine just how much pain the GODHEAD has gone through when women come out in the open spotting extra-marital pregnancies, and pointing fingers at Pastors as the perpetrators of that despicable immoral act! Even the apostate church herself knew it too well that there is no way such a heinous act as is being commissioned in the house today, would have gone on virtually unchallenged. Now with the coming of the GODHEAD HIMSELF into

**AUTHORITY & POWER**

The Second Reason as to why the GODHEAD HIMSELF may often choose to come out of His Throne in heaven and visit mankind on the earth, is for purposes of bringing unto His people the Revelation of God's Authority and the Demonstration of His infinite power. Just like Israel suffered a severe bout of spiritual forgetfulness on their journey to the promised land, so has it recurred to the present-day church of Christ on her journey to the Kingdom of God. For Israel, the pleasures and joy of travelling with friends and acquaintances is what very soon made them forget what this journey was actually all about. The Israelites quickly forgot that this entire journey from Egypt to the Promised Land was as a matter of fact all about Worshipping Jehovah and instead began to get involved in revelry and viceful activities.

13 Then the LORD said to Moses, “Get up early in the morning, confront Pharaoh and say to him, ‘This is what the Lord, the God of the Hebrews, says: Let my people go, so that they may worship me’ (Ex 9:13).

As they went about their journey in the wilderness, the Israelites began partying and sharing bad stories about how Egyptian life had edified them and helped them raise forth families. This was the complete contrary to what the LORD expected of them, especially considering that they had just one through a brute form of repression. Therefore, by visiting His people on that dreadful Mt. Sinai encounter, the GODHEAD HIMSELF brought forth a vivid reminder unto Israel on WHO exactly this journey to the Promised Land was all about. The present-day church of Christ too has today gotten herself friends and acquaintances aboard this sacred journey to heaven, and hence seriously compromised the holiness of her walk by entangling herself with revelry and viceful activities of this sinful world. By doing this, like Israel, the present-day church too has quickly forgotten that this journey to the Kingdom of God actually began on the Cross as a holy voyage whose focus was the ONE and ONLY GOD OF ISRAEL JEHOVAH. As a matter of fact, as was the case in Israel from Goshen, this one too was all intended to be about the Worshipping of Jehovah in absolute holiness. Just as Israel lost the innocence of her holiness in the process of revelry along the journey, so has the present-day body of Christ lost holiness in the process of partying with sinful world, as a means of appointed Servant. In this context, we see that when the GODHEAD chose to come down HIMSELF and visit Moses His Friend and Elijah HIS Prophet, it was a way of asserting to the entire Israel together with their kings, that these were HIS established and appointed agencies (servants) on the earth.

After seeing that the GODHEAD HIMSELF visited these Servants in HIS glorious glory, this is what compelled the entire house of Jacob to submit under the stewardship of these mighty Servants of God, and by extension under the Supreme LORDSHIP OF JEHOVAH THE GOD of Israel (Num 17:1-10; Ex. 19:16-24).

11 “Go out and stand before me on the mountain,” the LORD told him. And as Elijah stood there, the LORD passed by, and a mighty windstorm hit the mountain. It was such a terrible blast that the rocks were torn loose, but the LORD was not in the wind. After the wind there was an earthquake, but the LORD was not in the earthquake. 12 And after the earthquake there was a fire, but the LORD was not in the fire. And after the fire there was the sound of a gentle whisper. 13 When Elijah heard it, he wrapped his face in his cloak and went out and stood at the entrance of the cave. And a voice said, “What are you doing here, Elijah?” (1 Kings 19:11-15; New Living Translation)

In that way, the agenda of God was executed in Israel among the children of Jacob and HIS policies implemented in those respective generations. Today too, we see that the mighty visitation of the GODHEAD in HIS Cloud at the Kisumu Meeting was indeed intended to establish HIS Messenger and the urgent Message of this hour He beholds on the coming of the Messiah.
The fourth reason for which Jehovah the Godhead Himself may choose to visit the church in PERSON, is as a matter of fact related to the third reason. Many times the devil exploits confusion as his tool of throwing the otherwise well-meaning people of God into an otherwise totally unnecessary tempest. However, owing to the fact that God’s word of the truth is the established sanitizer of His people’s lives, the enemy often attempts to infiltrate that line of truth with a shrewd counterfeit. This situation is not very far from what the present-day church of Christ is currently undergoing. With false prophets and false apostles plus false evangelists, criss-crossing the width and breath of the Altar for money, there couldn’t have been a better place at which to underscore the deadly consequences of counterfeit than in the house today. The enemy has ensured that he infiltrates the word of the truth with a very closely related message that resembles the truth, and yet is actually totally false. That having been the case in Israel, and now the church, the Godhead often decides that enough is enough and intervenes in order to establish His impeccable LINE OF TRUTH. In so doing, the Godhead often visits in order to clearly distinguish between the authentic and counterfeit Messenger and Message.

“Baal, answer us!” they shouted. But there was no response; no one answered. And they danced around the altar they had made. At noon Elijah began to taunt them. “Shout louder!” he said. “Surely he is a god! Perhaps he is deep in thought, or busy, or traveling. Maybe he is sleeping and must be awakened.” So they shouted louder and slashed themselves with swords and spears, as was their custom, until their blood flowed. Midday passed, and they continued their frantic prophesying until the time for the evening sacrifice. But there was no response, no one answered, no one paid attention. Then Elijah said to all the people, “Come here to me.” They came, saying, “Your name shall be God in Israel and that of the Lord—he is God! The Lord—he is God!” Then Elijah commanded them, “Seize the prophets of Baal. Don’t let anyone get away!” They seized them, and Elijah had them brought down to the Kishon Valley and slaughtered there (1 Kings 18:20-40).

Because the church has for sometime now disgracefully reproached herself with the message and messengers of prosperity, the Godhead must have now found it right to visit her Himself, and bring to a stop this noise that has for a long time masqueraded as the gospel in the church. It is indeed seriously deplorable that from one corner of the earth to the other, the church appears to have settled to one common hymn whose song champions how one can quickly prosper and live better on this earth. For a heavenly church that is well aware of the inexchangable treasures of eternity, to settle for a cheap gospel of prosperity amounts to a deep betrayal of the core of the cause of Jesus on the Cross. And yet it is abundantly clear to any average thinking citizenry of the church that this earth for whose dwelling they so clamour will soon passing away! The Godhead hence indeed had to come down Himself and bring this absurdity to a stop by re-establishing the true message of the Cross and the Blood back to the church.
Sign & wonder

The fifth reason as to why God decides to reveal Himself in person unto humanity is often in order that He may bring about the suspension of the laws of nature and institute in place the incontestable supernatural laws of God. This too He has always used as a means of creating awe and establishing His incontestable Authority and unassailable Power among His people. When Joshua caused the sun to stand still, it became the landmark moment when Israel severely feared the Lord God and returned to Him in a serious panic and trembling that from that day on became a lasting lesson taught even date.

12 On the day the Lord gave the Amorites over to Israel, Joshua said to the Lord in the presence of Israel: “Sun, stand still over Gibeon, and you, moon, over the Valley of Ajalon. 13 So the sun stood still, and the moon stopped, till the nation avenged itself on its enemies, as it is written in the Book of Jashar. The sun stopped in the middle of the sky and delayed going down about a full day. 14 There has never been a day like it before or since, a day when the Lord listened to a human being. Surely the Lord was fighting for Israel! (Joshua 10:12-14).

In doing this, the Godhead ensured that He brings the point home very clearly to His people on the fact that not only did He create the laws and forces of nature, the gravity inclusive, but that He can also overrule them at His discretion. Considering how much the laws and forces of nature govern the life of the church today, to the extent that the Christian believers have adapted themselves exclusively to what they can feel and touch, than faith. On this planet earth, not only have the laws of nature gripped the instruments of life, but also become the means by which Christian believers or otherwise can openly contest the existence of the Authority of God. For instance, many people Christians inclusive had reached a place where they did not believe anymore that God can still heal disease. When such phenomena such as drought and floods which essentially revolve around the laws of nature hit, today’s modern day society has found it more convenient to turn to IMF, UN, WHO, or even the United Nations Security Council to seek resolution that may calm the devastation caused, in stead of turning to God the Father WHO is the Creator of all the universe. It is this level of heathenism that the Godhead intends to wipe out when He visits in person and brings forth His Power and Authority that can overrule the laws of nature. For instance, the events of June 5, 2005 at the Bukhungu stadium in Kakamega a clear reminder that the Godhead is still in reign and in charge of life as created by Him. The occurrence at the Gusii stadium in Kisii are not any lesser in underscoring this humbling aspect of the visitation of the Godhead. Please watch the youtube below:-

These spiritual landmarks have since then to this point become very fearful developments in the nature of the God we worship, and hence caused the church to humble, submit and repent. Moreover, when the prophecy of the historic 8.8 magnitude earthquake in Chile was given across the globe on that January 19, 2009, and on Television Nacional De Chile (TVN), little did the global community perceive the gravity of what Jehovah had intended to accomplish. However, it is the fulfillment of that prophecy on that February 27th, the Godhead ensured that the earth tilts and shortened the length of each earth day by about 1.26 microseconds permanently, as reported by baffled NASA Scientists. When I gave that prophecy live on Global TV in Santiago De Chile, one year in advance, little did the inhabitants of the earth understand that I was as a matter of fact alluding to the fearsome visitation of the Godhead Himself upon the earth. If one is to listen very carefully to the pronouncements that announced forth the coming of that historic visitation, one would easily hear the groaning and grieving of Godhead regarding this matter of how homosexuality has devastated the church of Christ in Chile. This becomes a classic case
of how the visitation of the GODHEAD is meant to bring back the fear of GOD, and cause forth a judicious repentance among the nations. It is indeed a fearful thing to encounter the GODHEAD. Please watch on youtube below:-

Furthermore, we see the same establishment of the authority and power of the GODHEAD over and above the forces of nature when the prophecy of the Pakistani earthquake was given, and its fulfilment shocked the earth by creating a new island in the sea, in Balukistan Province.

The Ark in Ashdod and Ekron

5 After the Philistines had captured the ark of God, they took it from Ebenezer to Ashdod. 2 Then they carried the ark into Dagon’s temple and set it beside Dagon. 3 When the people of Ashdod rose early the next day, there was Dagon, fallen on his face on the ground before the ark of the Lord! They took Dagon and put him back in his place. 4 But the following morning when they rose, there was Dagon, fallen on his face on the ground before the ark of the Lord! His head and hands had been broken off and were lying on the threshold; only his body remained (1 Samuel 5:1-4).

In the present-day generation, there has been a serious avalanche of idol worship that has not spared the church too. This kind of humiliating apostasy of idol worship has in essence gotten its way right into the house of the LORD. The love of money and the gospel of prosperity have crafted themselves into a beautiful casting of gold that is both pleasing to the lustful eye and also tempting to touch. The duo of the love of money and worldliness have unsurprisingly coalesced to form the biggest golden calf in today’s church of Christ. It is as though every Christian believer is today in a dash to get wealthy and live well on this earth, by centering the love of money in their hearts. This idol worship has today overtaken the worshipping of JEHovah in the modern-day churches, and essentially accelerated the decay of apostasy. Tragically enough, two blind cannot lead each other! It is saddening that this fall of idol worship has not only struck the altar of the LORD, but also flourish in the tender hearts within the congregation. As a consequence, no one at the pulpit seems to rebuke sin anymore, neither do they see the urgency for calling for a reformation in the house of the LORD. This has resulted into an escalation of sexual immorality that has gone virtually unchallenged in the present-day House of the LORD. The GODHEAD from time immemorial, the hearts of the believers indeed belonged to HIM, and HIM alone! That fact is unquestionable.

O DRAW AN UNDERSTANDING on this novel segment on the visitation of the GODHEAD, it is indeed indispensable that we examine one other aspect relating to such a monumental visitation upon the face of the earth. Whenever the GODHEAD chooses to live HIS dwelling in heaven and come down upon HIS people, the most inevitable occurrence that can not be precluded from any engagement underscoring it, is the fact that such an occurrence always invariably leads to an OPEN HEAVEN over the church. We are vividly reminded here when the LORD Jesus took the three confidants who were close to HIS heart up the Mountain of Transfiguration. The visitation that accrued thereon became a monumental milestone whose bearing continue to ramify the hearts of the believers owing to the fact that it was at that summit that the Perfect Lamb of sacrifice was defined and duly instructed.

"After six days Jesus took with him Peter, James and John the brother of James, and led them up a high mountain by themselves. 2 There he was transfigured before them. His face shone like the sun, and his clothes became as white as the light. 3 Just then there appeared before them Moses and Elijah, talking with Jesus. 4 Peter said to Jesus, “Lord, it is good for us to be here. If you wish, I will put up three shelters—one for you, one for Moses and one for Elijah.” 5 While he was still speaking, a bright cloud covered them, and a voice from the cloud said, “This is my Son, whom I love; with him I am well pleased. Listen to him!” 6 When the disciples heard this,
they fell facedown to the ground, terrified (Matthew 17:1-6).

Nevertheless, another visitation of equal measure of gravity is one in which the visitation of the GODHEAD appeared right at the point when Christ Jesus the Messiah was being baptised in the Jordan River. On both occasions of the GODHEAD visiting the church, HE left an unmistakable path that instructed the footsteps of HIS people on which way leads to HIS eternal Kingdom in heaven. At Transfiguration when the Cloud of GLORY span that summit location, the Voice directed the entire creation to listen to Christ Jesus as the only way to HIS glorious kingdom.

5 While he was still speaking, a bright cloud covered them, and a voice from the cloud said, “This is my Son, whom I love; with him I am well pleased. Listen to him!” (Matt 17:5)

In this visitation of the GODHEAD at the summit of Transfiguration, we see that the Voice of the GODHEAD HIMSELF is heard instructing creation unto Christ Jesus the Messiah. However, we cannot still lose sight at the most important development that took place at this summit, when the glorious Cloud finally wrapped the Messiah and revealed HIM as the Christ to the naked human eyes of the three disciples that witnessed this shocking phenomenon. In that way, the visitation of the GODHEAD always points humanity to the Glory of the GODHEAD HIMSELF into rapture. To this end, the GODHEAD expects that the eyes of men are strained.

Finally, if there is any one thing that the church can lay her hands on and say that this is it that says it all about the GODHEAD, then it is the eternal holiness of our FATHER. The Holy nature of the GODHEAD is as eternal as HE is. And that can only imply that from the eternity of the eternities to the eternity of the eternities, only the holiness of GOD never changes. It is this very yardstick of holiness that HE has perpetually advanced towards the church, to the extent that without holiness nobody will ever be able to see GOD.

Outside the realm of holiness, the church has no future with the LORD because HE IS HOLY (Lev 20:26). Many times when the LORD chooses to relate closely with His chosen people as the church, that relationship is often governed by a living covenant. Because Israel had such a covenant with JEHOVAH all their lives were principally tailored to the provisions of that covenant. The church too enjoys a covenant relationship with the LORD to the extent that she lives in full observance of all the articles of the provisions of that covenant. However, central in this covenant that the GODHEAD enacts with His elect, is the benchmark of holiness. Owing to this unchangeable standard of holiness, many times the people have a covenant relationship with the LORD run into some serious headwinds. Such was the case when Sodom and Gomorrah blatantly went out on a sinful spree that saw them embrace not only sexual sin but also homosexuality and defilement. After engaging in a serious rampage of revelry, the people of Sodom and their counterparts in Gomorrah decided to take it a notch higher by enacting sexual sin as an acceptable mode of living. This turned that whole place into hell since it was no longer habitable even with the slightest morals to nature. This is what drew some serious condemnation from the higher echelons of power above. The bible puts it clearly that the sin of Sodom became so heinous that it drew an outcry unto the LORD. And when the LORD heard the sobbing of HIS remnant righteous few, then owing to the gravity of that complaint, heaven’s courts made a determination on that matter. The LORD decided that because of the gravity of the Sodom sin, HE would have to come down HIMSELF as the GODHEAD in order to make a further determination whether the case filed against Sodom was commensurate with the atrocities on the ground. When GOD THE FATHER HIMSELF came down as the GODHEAD, HE met Abraham and fellowhipped with him on the matter of Sodom sin. While the rest may be history, we however cannot lost sight of the historic beating that Sodom took for her sinful act. Sodom and Gomorrah was literally obliterated and wiped out of the face of the earth by deadly burning sulphur. This has since served as a standing order and lesson that whenever the GODHEAD HIMSELF visits in HIS holy nature, it is just inevitable that HE must dispense the righteous judgment of GOD. The question then becomes, ‘Could it be true that the reason the GODHEAD HIMSELF chose to come down into the church at the Mega Kisumu Revival is because the church has committed the Sodom kind of sin?’ Different schools have presented different analyses with some projecting that the sin of the present-day church may be estimated to have surpassed the heinous act that drew such a widescale condemnation on Sodom. Many right-thinking Christians will today agree that it is...
true the present-day church a harsher punishment than Sodom, because she is the beholder of the Holy Spirit. By the time Sodom and Gomorrah was running into serious problem with the law of GOD, the Holy Spirit had not been released as the Counsellor and Teacher of humanity against sin. For the church, there will not be any excuse to commit the heinous sin of Sodom and Gomorrah because the Holy Spirit has already been released to Counsel her. Today’s church is very well aware on which way to follow in order to navigate herself clear from homosexuality, nudity, immoral dressings, falsehood, etc, etc. And yet she still chooses to walk this road that Sodom followed and ended up in serious trouble with the GODHEAD. It doesn’t take much to project that a failure to heed GOD’s law of holiness will lead today’s church into a worse judgment than Sodom.

Identity & Mission

It is JEHOVAH GOD THE FATHER AND THE CONSUMING FIRE HIMSELF that beheld that wilderness visitation manifested upon Moses. Furthermore, we also see that when Saul of Tarsus was busy persecuting Christians, the LORD Jesus confronted him through THE GLORY. At that time, while Saul was en route to Damascus, the GLORY OF THE LORD Jesus descended upon him as a white column of glorious Light that came from heaven and struck him down. Be it as it may, we see that when the GLORY OF THE MESSIAH struck Saul, THE LORD Jesus presented as a white pillar of glorious Light that struck him down. It was while in that state of near-coma and trauma, that Saul spontaneously exclaimed, “Who are you, my LORD?”. From the aforesaid, now we see that regardless of whichever form GOD’S GLORY takes on, CLOUD OR FIRE; whenever that GLORY OF THE GODHEAD descends from HIS THRONEROOM, HE always comes to achieve a definitive purpose for HIS glorious Kingdom in heaven. Nonetheless, there will always be a basic common threshold that must be achieved for every visitation of GOD’S GLORY. And that common benchmark is that, the GLORY OF THE LORD always invariably comes to transform the identity and life’s mission of the recipient from a more earthly countenance to a heavenly focus. From a more worldly countenance to a holy living. From this, it is vividly apparent that upon encountering GOD in HIS MIGHTY GLORY, the identity of Moses underwent a significant shift from one who was merely wandering around and focusing all his life on Jethro’s earthly wealth (sheep); to a Mighty Shepherd of JEHOVAH’s sheep (Israel) who was heavenly focused. Notwithstanding, that monumental visitation of GOD’S GLORY also translated Moses from a mere earthly survivor into the mighty MAN OF GOD he became. Things were not any different with Saul of Tarsus, when the GLORY of Christ Jesus encountered him and transformed him from a mere brute going by the name Saul of Tarsus, to Paul the Mighty Apostle of GOD whose exploits involved the writing of nearly two thirds of the New Testament. GOD’s visitation through the GLORY of Christ Jesus is what transformed Saul from an immoral worldly enemy of GOD, to Paul the blessed Apostle of GOD to the Gentiles. Therefore, taking Moses as a casework of this encounter, we see that the power of the anointing that the Cloud of GOD brings, is what enables not only the transformation of the recipients, but also their capacitation to underscore serious gains for the Kingdom. To the extent that Moses was occupied with other errands, and upon encountering the GODHEAD IN HIS GLORY did such tremendous exploits come out of his life; then it can be well said that the GLORY OF GOD brings the life and power of GOD to the said recipients. Therefore, it goes without saying that whosoever is appointed to become the recipient of GOD’S GLORY of this day, must always first be transformed into a new being, with a completely heavenly focus, their former status notwithstanding. And that can only imply that regardless of the level
of decay, insubordination, apostasy, and fall, the present-day church may have gone through, the GLORY OF THE GODHEAD that visited in Kisumu has come to transform them into a new identity of holiness. By this, the LORD is saying that whenever HE visits in the GLORY OF HIS CLOUD, HE can literally transform anybody however rebellious, defiant, disobedient or obstinate they may be, into a noble vessel that accomplishes the novel agenda of the glorious Kingdom of GOD. If there was any message to the present-day defiant church and the purposes of the current visitation of the CLOUD, then this is it. For Moses, in reality he now became a totally different person from the desperate personality he was before that divine encounter. And that is why even today as the same GLORY OF THE GODHEAD visits the church of Christ, its intent is a total transformation of her identity, from a worldly immoral congregation that she is, to a heavenly royal bride that wields decorum and inherits the wedding feast of the LAMB. The anchor of this change of life’s mission is indeed pegged on the radical transformation of identity that the life and power of GOD imparts from the GLORY OF THE GODHEAD. Just as did the mighty GLORY OF THE GODHEAD purge Moses and purified him as a glorious vessel that could not only stand right before GOD, but also execute GOD’S heavenly agenda on the earth; so has the GLORY OF THE GODHEAD visited the church at this Kisumu Meeting to purge off her immorality, gospel of prosperity, falsehood, false prophets, false apostles, post-modernism, homosexuality, that she may not only be found fit to stand before GOD, but also be the agency that implements GOD’s heavenly agenda for the coming of the Messiah in this dark earth.

The November 21st, 2012, Stunning Prophecy That Foretold The Visitiation Of The GODHEAD

IT MUST BE SAID that the momentous build up to that definitive December 31st, 2012 fearful visitation of the CLOUD OF GOD, did not come without a major prophecy pronouncement of its kind. That astounding prophecy of this historic GLORY OF JEHOVAH, has today become an exhaustless theme whose discourse and awe has panned the ends of the earth. It constitutes the unveiling of the depths of heavenly insight, in both the wisdom and knowledge of GOD presented to humanity. Looking back at how this unusual prophecy rolled out, today’s church is left with no choice but to marvel at the spectacular heavenly companionship that the LORD unveiled to her on that December 31st fulfilment. It gets even more much more puzzling to note that this towering Majesty of JEHOVAH was prophesied way back, more than a month in advance, and indeed came to pass with a stunning accuracy. Right from its emergence on that December 31st, human pride, prosperity, and post-modernism, all stand seriously rebuked in the Presence of this awesome Pillar of GOD’S Cloud. By all biblical standards, this prophecy of the CLOUD OF GOD and its fulfilment kick-starts the beginning of a stern prophetic season that has now began to roll out in the zero countdown to the coming of the Messiah. All can now clearly see that this unveils a dispensation of zero-tolerance to the rampant apostasy that has reigned its course in the present-day church! In the event that today’s pastors will fail to adhere to the message embodied within this visitation of the CLOUD OF GOD, the LORD may not stand a continued spell of spiritual setbacks, owing to how fast time is diminishing towards that oncoming fateful day of rapture. In the days of old, the appearance of this particular CLOUD OF GOD in the midst of HIS people, is what right away underlined a spiritual red-line beyond which GOD ALMIGHTY often acted in the most dreadful form ever witnessed. In the circumstance that the Shepherds fail to heed such a monumental visitation of the CLOUD OF GOD, JEHOVAH has often opted to shepherding HIS people by HIMSELF. This HE has done in the past by raising forth servants who are completely faithful to HIS Voice. And since the same CLOUD OF HIS GLORY has now made a prominent appearance into today’s church scene, it can only signify then, that in the event of a continued lawlessness as has been the trend in the church, JEHOVAH HIMSELF may be compelled to shepherd HIS sheep by HIMSELF towards HIS Kingdom in heaven. Such an overthrow by the LORD was once witnessed during the time of Eli the Priest. This stern warning by the LORD is further reinforced by the

ANNUAL NATIONAL YOUTH CONFERENCE 2013
At Kenyatta University, the MIGHTY PROPHET OF THE LORD enlightened the learning institutions that attended, that the CLOUD OF GOD that visited Moses in the bible had visited the church, and hence time had now come for total OBEDIENCE to the commands of the LORD.
proximity within which we have drawn closer to the *rapture* of the church. It as a result places a heavy burden on the present-day church to well understand the significance of this CLOUD OF GOD that visited the Mighty Kisumu Revival Meeting in broad daylight. To drive the point home, the Holy Spirit even allowed the congregation at that Mega Kisumu Revival Meeting to capture the CLOUD OF GOD on cameras and post on the web.

**PROPHECY THAT CALLED THE GODHEAD DOWN FROM HIS HEAVENLY THRONE**

It was in the midst of the night of November 21st, 2012 when GOD ALMIGHTY Spoke with me in a mighty vision, about a major occurrence that was about to take place on the earth. Considering the magnitude of that conversation, I was immediately awakened to its urgency. And owing to the seriousness of this conversation, I for a moment staggered upon waking up as I contemplated what this may mean towards the coming of the Messiah. Crucial among the things that stood out to me, was the challenge that had all of a sudden presented before me, as I needed to awaken the entire globe to the fact that a *monumental* visitation of historic proportion was about to transpire. Owing to the weight of this conversation, I knew it too well that in *my announcement* to the nations, I would have to ensure that the connection between this once in a lifetime visitation, and the coming of the Messiah, is well *laid* before humanity. Such was the responsibility of this task. In addition, I became well aware that relaying such an enormous prophecy that has not happened since the time of Moses, would constitute a *challenge* of sorts, especially considering the time we are in. This became especially sensitive because today’s generation is largely *post-modern* and has since lost belief in the deeper matters of GOD. However, when the opportune moment finally presented for this prophecy to be relayed, I went live on *Jesus is LORD radio*, and spoke about this very amazing visitation concerning what was about to befall the face of the earth. In the first segment of that prophecy, I principally dwelt on the biblical significance of this magnitude. With great assertion, I severally re-emphasized the *time frame* of this visitation that would act as the *game-changer* in the House of the LORD. In that proclamation then, I nonetheless had to come out very clearly and classify this upcoming visitation of the CLOUD OF GOD, as one that had not been unveiled to humanity in a very long time. This became especially sensitive because today’s generation is largely *post-modern* and has since lost belief in the deeper matters of GOD.

Kakamega, August 31, 2012

And The White Column Of God’s Glory Beamed All The Way From Heaven And Covered THE SERVANT OF THE LORD, & Even Followed Him From Place To Place, Wherever He Went On The ALTAR OF JEHovah.
GOD would come, but also which upon that miraculous opening of location it would visit. Into the December 31st, 2012 Mega accuracy, not only WHEN that CLOUD OF GOD this modern age. This is because I impact upon the this prophecy in itself had a purifying Kisumu Revival Meeting. In this way, prophecy in itself had a purification impact upon the modern age. This is because I impact upon the this prophecy in itself had a purifying Kisumu Revival Meeting. In this way, this prophecy in itself had a purifying impact upon the Kisumu Revival Meeting. As I continued standing at the altar, the CLOUD OF GOD had totally covered me and physically swirled around me in waves that had semblance of a tornado funnel. The revered CLOUD OF GOD that swathed around me had serious weight and was indeed very heavy. What is most stunning is the fact that when the THICK HEAVY CLOUD OF GOD swept me, I felt tremendously overpowered and shocked to the extent that I gave up to the Glory that formed a funnel-like tornado around me. After waking up from that shocking vision, is when I realized that a great moment truly beheld across the skyline. With the prophecy already proclaimed, the attentive church recognized that a monumental visitation now stood right ahead of the nations, and that it would be just a matter of days before such

**Hidden Details**

Most importantly, I divulged that when THE CLOUD OF GOD visits, HIS Presence would come in several waves like a sweeping FUNNEL OF TORNADO. However, what I did not reveal was the manner in which THE LORD had Spoken with me in the finer details. In that vision, the LORD took me into the Kisumu Revival Meeting in advance. On that November 21, 2012, I had already seen what would transpire in the December 31, 2012 visitation. In the vision, as the LORD took me into the stadium of the meeting, I saw myself standing at the altar, and then all of a sudden heaven opened right above me, and I saw the shocking humongous and most revered CLOUD OF GOD come right out of heaven into the sky. The CLOUD OF GOD I saw come out, left heaven and descended straight towards the stadium and into the Kisumu Revival Meeting. As I continued standing at the altar, I realized that the CLOUD OF GOD that had descended from heaven was in the form of a thick WAVE of the Revered Presence of GOD THE FATHER HIMSELF. What has never ceased to perplex me is the fact that in this vision the LORD seems to have merged two very distinctive and yet very significant events at one go. This is because, by the mere nature of it, the descent of the humongous historic CLOUD OF GOD from heaven into the sky on its own constituted a major landmark in this vision. However, the GOD OF ISRAEL overlapped me with two sequential events.

**HISTORIC HEALINGS HIT**

As I was still mesmerized and totally consumed by this developing phenomenon of the coming of the CLOUD OF GOD, all of a sudden, a historic healing anointing struck the stadium and rendered it chaotic. In this vision, I very well remember that when the monumental healing anointing hit the stadium, I totally got consumed in the massive testimonies of the cripples that had just gotten up and walked, the blind eyes that had just opened with their beholders asking questions, ‘what is this? What is that?’ For they had never seen before! It was while taking these testimonies of the massive healings of the LORD that I totally forgot in this vision about the CLOUD OF GOD that was oncoming. Nonetheless, as I stood there at the Altar of the LORD taking these testimonies, the greatest shock of my lifetime struck. In this milestone vision of our time, I got a huge shock when all of a sudden the CLOUD OF GOD that I had seen descending from heaven beheld right in front of the Altar. The CLOUD OF GOD that I saw was so huge it could cover the entire size of the city of Kisumu. Upon appearing in front of the Altar, the CLOUD OF GOD began to swiftly surge with such a force towards the Altar where I was standing in such a way that even the bravest of brave in this mortal life, could have at least escaped for HIS own life!

**TRYING TO ESCAPE**

As this massive CLOUD OF GOD came towards me at the Altar, I quickly realized that HIS force was too immense and its TORNADO FORMATION was too fearful to withstand. That is what caused me to attempt to duck. That was when the most shocking occurrence in that apocalyptic vision took place. As I was standing there at the altar of the LORD, the thick CLOUD OF GOD advanced swiftly towards me and headed directly to me, thereby covering me in a flash of a second. And owing to the shock of it, I remember in that vision that I immediately knelt down and tried to duck by lowering my head so fast, that the thick CLOUD OF GOD may not cover me. But since I could not in any way outdo the itinerary and path of THE LORD GOD THE CREATOR, as HIS CLOUD approached me, I could not in any way escape its trajectory. That is when the CLOUD OF GOD swiftly came straight towards me and the next thing I remember was that the Fearsome CLOUD OF GOD had totally covered me and physically swirled around me in waves that had semblance of a tornado funnel. The revered CLOUD OF GOD that swathed around me had serious weight and was indeed very heavy. What is most stunning is the fact that when the THICK HEAVY CLOUD OF GOD swept me, I felt tremendously overpowered and shocked to the extent that I gave up to the Glory that formed a funnel-like tornado around me. After waking up from that shocking vision, is when I realized that a great moment truly beheld across the skyline. With the prophecy already proclaimed, the attentive church recognized that a monumental visitation now stood right ahead of the nations, and that it would be just a matter of days before such
a great unfolding would be manifest. What I raised supreme, was that when the December 31st, 2012 meeting begins, and the LORD brings me into the stadium, Heaven would Open, and immediately that happens, a stunning healing anointing would befall the meeting, in a manner not seen before. That historic healing anointing I said, would encompass both within the stadium and its overflow precincts. I categorically enumerated some of the shocking healings that would befall at that instant. Chief among the miracles, are the cripples that I said would get up and walk for the first time, the blind eyes that would open, deaf ears that would pop open, the lame legs that would be stretched and strengthened, the paralytics that would get up and walk, tumours that would dissolve, cancers that would dry up in the blood, chronic wounds that would instantly dry, bleeding diseases that would stop, mental illness that would be healed, and the shrivelled limbs that would be stretched and restored. And then after saying this, I declared that ultimately the stunning CLOUD OF GOD would descend from heaven, like in the days of old, right into the Kisumu Revival Meeting. In underscoring all this, I went on to declare that when all these things came to pass in that Meeting, it would mark a historic event of our lifetime. And the tremendous CLOUD OF GOD would visit mankind once more, like it did in the days of Moses, the MAN OF GOD.

Church Prepares

Upon hearing these pronouncements, the church of Christ in Kenya began to understand that this would be a visitation like none other. They hence recognized that there was need for a special grace to appear before that most revered CLOUD OF GOD. Even today’s obstinate post-modern believer was shaken, as it put their faith to test, and indeed stretched their belief to the limit. Because there have not been any documented records of the kind of visitation being described here in the New Testament church, the modern christian did not know where to place this prophecy. Without relenting, I continued to maintain that the CLOUD OF GOD would be the irrevocable emblem of the PERSONAL PRESENCE OF THE GODHEAD in the church. Having listened very carefully to these utterances, the church of Christ in Kenya right away began to ponder on how to prepare for this unequalled visitation. Many church leaders that ascribe to REPENTANCE took the initiative to ask themselves as to what the unfolding of such historic occurrence would mean to the
body of Christ, and especially in this dispensation prior to Christ’s return. The mere thought that the GODHEAD HIMSELF would now have to visit the revival meeting, left many believers in fear and a state of perplexity. All knew it too well that for the GODHEAD to forgo HIS Heavenly Throne and come down to earth in this day and age, can only be for the express purpose of creating a greater awakening at this hour. This is what caused the National Council of Bishops to approach me and ask on how the church needed to prepare for such a monumental visitation. This they understood would be necessary in order that the Body of Christ may appear at the visitation of the CLOUD OF GOD. Following that consultation, the Pastors realized that whatever preparation they needed to put in place, had to be an ultimate preparedness that would stand the test of GOD’S Presence. The power and authority of the words of the LORD have never ceased to amaze me and literally shake me! As a result of this prophecy, a massive wave of revival struck the land of Kenya prior to the visitation itself. Millions of people in the land went into a massive wave of repentance thereby causing a new high for the repentance movement. This is what birthed out a massive wave of baptisms as people gathered to be baptised in their thousands, across different regions. The revival was already here even before the prophecies were fulfilled. And it was an awesome sight to behold, to witness an entire nation preparing to encounter JEHOVAH their GOD in the CLOUD OF GOD. Deep down in their minds, many theologians must have wondered how such a significant milestone event of the Old Testament, would play out within this sophisticated dispensation of the grace. In a snapshot, this prophecy amounted to literally calling JEHOVAH THE GODHEAD HIMSELF from HIS Throne in heaven, to come down into a revival meeting on a particular day. Now, with all the disbelief that has set into christian salvation, giving this prophecy was totally imperceivable. The prophecy also actually called on GOD THE FATHER not only to visit the meeting, but also to stand in a dreadful PILLAR OF CLOUD right before HIS Mighty Altar. This is what particularly set off alarm bells in the minds of all that tuned in to listen to this November 21st prophecy. Nevertheless, it also created a sense of curiosity as millions of people longed to attend that meeting just to witness for themselves.

**PROPHECY OF THE PILLAR OF GOD’S GLORY THAT COMES STRAIGHT FROM HEAVEN AS THOUGH** the November 21st prophecy was not sufficient enough to alarm the body of Christ, then came this second and totally baffling prophecy of December 26, 2012. A clear four days prior to the Mega Kisumu Revival Meeting, on December 26th, 2012 night, the LORD Spoke with me in yet another monumental conversation regarding the upcoming December 31st visitation of GOD. In that stunning vision, the LORD again lifted me up and took me right into the Kisumu meeting that was upcoming, and showed me the events that would unfold there. In that vision, I saw myself ministering at the Altar of the LORD and the crowd was quote humongous in the main sanctuary. And as I continued to minister in that vision, all of a sudden I saw heaven open and a different kind of the GLORY OF THE LORD descend right down from HIS Throne. The GLORY that came was in form of white glorious light that beamed right straight from heaven onto the Altar at the Kisumu Meeting. The GLORY I saw in this vision was now different from the thick CLOUD OF GOD I had earlier seen in the November 21st vision of the LORD. That WHITE GLORIOUS PILLAR OF THE LORD totally covered me at the Altar of JEHOVAH, and connected that inside of heaven and the Altar at the Kisumu Meeting. It is an occurrence that indeed shocked me beyond comprehension. While inside that WHITE PILLAR OF THE GLORY OF JEHOVAH, the LORD lifted me up from HIS Altar in Kisumu and took me straight into heaven. After the undertakings that I am not allowed to share here at this time, then the LORD again brought me through this pillar back onto HIS Altar at the meeting. Then a second time, HE lifted me up and took me to heaven again and brought me back to HIS Altar at the Revival Meeting. All this time, the LORD GOD made me know that nobody at the Kisumu Revival Meeting was ever aware that I had left the Altar during the peak of the meeting. After that, I woke up and realized that the LORD JEHOVAH had again Spoken about the extreme importance HE attached to the December 31, 2012 Kisumu visitation.

**COME December 31st, 2012**, the nations of the earth were treated to some remarkable shock, when the prophecy of the CLOUD OF GOD finally came to pass. It all began with a great sense of expectation and anticipation that swept across the land as people, one after the other, undertook to repent and get baptised. Several baptism centres were opened up in order to cope with the huge influx of the faithful that had submitted unto penitence, and came to be baptised. What particularly caught the attention of the nation is the fact that this wave of repentance and water baptism was not confined to any particular class, be it teachers, lawyers, business people, security personnel, name it. Happening right before the onset of the much-awaited Kisumu Meeting, this kind of spontaneous repentance and baptism revival is what took the church by storm. While there may have been some classical paradigms that might have attempted to plot out the path that the most awaited revival would follow, but this one must have sent the scholars back to the drawing board. If there was a place at which the church went back to school, then this
A clear Four Days before the Kisumu Revival Meeting, on December 26th, 2012, the Prophet of the LORD went live on Jesus is LORD Radio, and proclaimed that when the LORD would bring Him into that end of year revival meeting, GOD’S Glory would descend right from Heaven in a continuous Glorious Column that would directly connect Heaven and the Earth, in an event that would mark the Sign & Wonder of this day and age. More specifically in that Prophecy, the MAN OF GOD Said that the Column of GOD’s Glory would connect Heaven and that particular Kisumu Revival Meeting. Furthermore, The MAN OF GOD went on to say that the stunning Column of GOD’S Glory from Heaven would not only descend into the Kisumu Meeting, BUT would Abode on Him! And sure enough, come December 31, 2012, that Foretold Mighty, Most Fearsome Pillar of the LORD’S Glory appeared in the meeting, And That Column of GOD’S Glory indeed formed a direct and continuous connection between Heaven and The Glorious Kisumu Meeting. The Glory Stood on the Altar of the LORD. This shocking photo of GOD’s visible presence was taken by the bar attendant of the Kisumu Great Lakes Hotel, while standing at the Rooftop bar. And owing to what he saw, that bar attendant RECEIVED THE LORD JESUS AS PERSONAL SAVIOUR. Glory to GOD!

was it regarding the manner of this revival. Thousands upon thousands were baptised and consecrated days way in advance of the Kisumu Mega Revival Meeting. When the bible says that the endtime revival would be without bounds, then indeed from this experience, it is truly boundless. As this spiritual preparation went on, a parallel preparation in the physical realm also climaxed. Town after town had fleets of buses booked and thousands upon thousands of people enlisted in order to attend that most coveted revival meeting of the LORD. However, when it reached three days to the meeting, another new phenomenon was registered, when the largest number of people had already gathered at the venue of the meeting. As the Mega Kisumu meeting started, things already began on a very high note, with multitude upon multitude of people flocking into the venue; crowd control not only became a major preoccupation of the security personnel, but also a serious challenge to surmount. Such a gathering had not been seen in the land before. For what had been promised in the prophecy, people began to worship the LORD nonstop three days in advance as they prepared themselves for the visitation of their lifetime.

THE D-DAY ARRIVES
When the D-day arrived on that December 31st, 2012, I realized right from my habitation before heading to the stadium, that a new threshold was about to be met in the LORD’S visitation. While acknowledging an uncommon sense of unease that swept me right before departing for that memorable meeting, I must however underscore that things were not in my hands that morning. I still strongly believe that it is this supernatural hold on things that indeed enabled me sail through those fast few hours right before the meeting. However, when it was all said and done and the LORD OF HOSTS finally brought me into that stadium, all of a sudden, a massive historic healing anointing hit the stadium! It was so big an anointing that it stunned me too, as I saw cripples of all ages get up and walk for the first time, from all directions. The power of the LORD had just struck the Mega meeting of the LORD! Within less than 10 minutes, I was totally inundated and overwhelmed by the testimonies of those born crippled who were instantly up and walking to the extent that I fully got absorbed into this massive bewilderment that was ongoing. I had never seen an entire packed stadium go wild as it did on that historic day! However, it was while caught up in celebrating the massive healings that had consumed the gathering, that I actually forgot of a most important undertaking that heaven was just about to implement. As those totally born blind also had their eyes open and began to see, from the little babies to all ages across the spectrum, the frenzy in the stadium became wilder! The sheer noise of celebration that rant the stadium is what could have instructed even the deafest of all that indeed something significant was going on here. At one point, I remember I could not cope with the influx of the
beautiful testimonies of super healings that were flooding towards me as the celebrations went on. This was not the place for just a mere coping, but the location to exalt Jesus for each and every miracle in order to glorify the blessed one of Israel.

CLOUD OF GOD STANDS INFRONT OF THE ALTAR
It was while still taking the powerful testimonies of the healings of the Lord, that some people in the congregation remembered what the prophecy had exactly proclaimed. Because the prophecy regarding the visitation of the Godhead Himself in His cloud had been pronounced live on Jesus Is Lord Radio (105.3FM and 105.9FM), (see youtube: https://www.youtube.com/watch?v=retr4qQeb1Q); and via the global world wide web streaming, many had attended this meeting out of a curiosity to witness for themselves whether indeed the Godhead Himself would obey the words of a man, and leave His revered heavenly dwelling at the throne, and come down directly to a revival meeting. What became most astounding though, is that as I walked into that Moi Stadium in Kisumu, many engaged in a serious documentation of every move I made, and every utterance that came out of my tongue. That is when the first recordings of me were captured as I walked into the stadium and began pointing in the direction of certain trees, while also declaring that I had seen the Glory of the Lord come down there. As the healing service peaked and things climaxed in that Mega Revival Meeting, all of a sudden I began to shout aloud repeating the following words, "The Lord is here! The Lord Is Here! The Lord Is Here!" That is when the crowd joined me and began repeating after me as I continued on at the peak of my voice shouting, "The Lord is here! The Lord Is Here! The Lord is here! The Lord is here! The Lord is here!". At this point, is when a select few whose minds were rekindled to the words of the prophecy of November 21st, then remembered that heaven would be open at the time when the healings would hit maximum. And that select few, then having heard the Man of God shouting, "The Lord is here!" were then blessed to endeavour to look up into the sky only to behold the grand Mega Visitation of our lifetime. That is when those who looked up into the sky were so shocked to see at the height where aircraft fly, a construct of a unique humongous cloud that had the formation of a tornado funnel. The spectacular picture that presented when the cloud of the Godhead was coming down from heaven was absolutely incredible to behold. What was even more shocking is that the cloud of God they saw, was as a matter of fact coming down directly targeting the Mega Kisumu Revival Meeting. To the shock of all, the Godhead even permitted those in attendance to capture Him coming down to visit His Servant in the cloud of God. Many pocket cameras and smart phones were drawn out in the most dramatic moment of this meeting, as everyone scrambled to get a snapshot of the Creator of heaven and earth coming down in the cloud of His glory, to fulfill every word spoken by His Servant The Prophet on November 21st, 2012. What became even much more mystifying was the fact that the Godhead Himself permitted men not only to see Him with their naked eyes as He descended into the Mega Revival Meeting, but also to capture photos and pictures of Him in the cloud of God. This is unusual grace is what enabled people to capture the cloud of God as He descended and when He had finally landed on the meeting. It has since become the biggest wonder of our time. It indeed became the most exceptional grace and disposition of love from the Godhead Himself out of the fact that He allowed the congregation to capture the cloud of His glory and for their cameras to assuredly retain those shots.

INFRONT OF THE ALTAR
At the same time, the white pillar of the column of the Glory of God that I prophesied on December 26th, 2012, also came to pass at that Mega Kisumu Revival Meeting. That white pillar of the Glory of God came directly from heaven onto the altar of the Lord in the Mega Kisumu Revival Meeting, and landed onto the altar, thereby according those in the meeting a chance to record with their cameras and smart-phones. This pillar of God's that came directly from heaven onto His Servant, has been previously recorded around His Servant on two separate meetings. The first such recording of the white pillar of God's Glory that descended straight from heaven onto His Servant, was recorded at the Mega Kakamega Revival Meeting and the second at the Mega Nakuru Revival Meeting. This has since become the most shocking hour that the church of Christ has ever beheld since the time of Jesus.
THE CLOUD OF GOD
DEFINING THE ELECT

THE ELECT

LEARNING FROM MT. SINAI

There is so much that the present-day church of Christ can learn from Israel with regards to how to handle this Mega visitation of the CLOUD OF GOD at the Kisumu Revival. Throughout the history of humanity, the ancient nation of Israel has been known as the chosen people by the Deity of God. Owing to her genre and spiritual pedigree, Israel became the beholder of the visitation of this Cloud, and hence the chosen people of God, so that they may act on this earth as the agents of Jehovah.

When it comes to the matter of how the Creator elects His chosen people, Abraham’s encounter with the Godhead becomes a very important lesson for today’s church to borrow from. By faith Abraham was chosen by the Lord and ever since then has acted as a symbolic construct for all God’s chosen people, both Jews and Gentiles. When the fullness of time came to pass, the Godhead Himself came down to elect Abraham and his family as His chosen people, thereby separating him from the world. Likewise, when the time to choose Israel as His beloved people had come, the Godhead Himself had to again come down from His Throne in heaven in order to execute that appointment. In that instance, the Godhead came down in the Cloud of His Glory, and openly chose the children of Israel, not only as His elect, but also set them apart as His treasured possession. That holy encounter was achieved on Mt. Sinai along their journey to the Promised Land. By this, the Godhead descended from heaven in order to fully ascertain that Israel was to be a treasured people out of all the people on the face of the earth.

4 For you are a people holy to the Lord your God. The Lord your God has chosen you out of all the peoples on the face of the earth to be his people, his treasured possession (Deut 7:6).

In this way, the Cloud of God came down on Mt. Sinai with so much power in order to clearly affirm to all the nations of the earth, that the Hebrew people are indeed God’s chosen people from where the Messiah, Who is the Redeemer of the world, would come. This ranking of Israel as His treasured possession, is what the Godhead essentially intended to trumpet to the world, that not only would the Israelites dwell as His elect, but also be
Then Moses went up to God, and the LORD called to him from the mountain and said, “This is what you are to say to the descendants of Jacob and what you are to tell the people of Israel: 4 ‘You yourselves have seen what I did to Egypt, and how I carried you on eagles’ wings and brought you to myself. 5 Now if you obey me fully and keep my covenant, then out of all nations you will be my treasured possession. Although the whole earth is mine, 6 you will be for me a kingdom of priests and a holy nation.’ These are the words you are to speak to the Israelites.”

So Moses went back and summoned the elders of the people and set before them all the words the LORD had commanded him to speak. 8 The people all responded together, “We will do everything the LORD has said.” So Moses brought their answer back to the LORD (Ex19:2-8).

**WHEN THE CLOUD LIFTED**

From the aforesaid scripture, we can clearly see that the miraculous deliverance of Israel from Egypt demanded the PERSONAL involvement of the GODHEAD HIMSELF, owing to the gravity it spinned into the future. It is the future that this visitation of the CLOUD beheld upon the salvation of humanity, that must have drawn the direct participation of the GODHEAD. As they made their way through the desert wilderness, their journey through the Sinai became a classic case on what the visitation of the GODHEAD always achieves upon HIS people.

**WHEN HEAVEN CAME DOWN**

When the LORD handed down the written and Oral Word at the Mt. Sinai visitation, It was principally intended to transform and consecrate the life of not only Israel, but also the church of Christ. Heaven was providing this avenue in order to give humanity an opportunity to reform her ways so as to inherit the holy Kingdom of GOD. During that visitation, Sinai became enveloped in a thick CLOUD, severely quaked, was filled with thick Smoke, and Lightning Flashes shooting forth as the roaring Sounds of grievous thunder mingled with Trumpet Blasts. In addition, a raging...
FIRE totally consumed the summit of the mountain. The FIRE and CLOUD appeared as direct consequences of the arrival of GOD upon the mountain. GOD's descent seems to indicate that while the visitation indeed occurred, a lot of mysteries about this historic visitation still remain unsolvable in this lifetime. Because of this mystery, several narratives have attempted to account for the finer details of that monumental Mt. Sinai visitation. Key among them have been the different Rabbinical schools that have advanced different spiritual hypotheses in a desperate attempt to explain this all-important visitation on Mt. Sinai. One group accounts that the heavens were torn and GOD MOST HIGH lowered the heavens and spread them over Mt. Sinai, while the other argues that a hole was torn away from the earth and the summit pushed through the hole into heavens, for that visitation to realize. The two Rabbinical schools however observe a convergence because heaven here was typified by the CLOUD OF GOD and the LAKE OF FIRE that consumed the summit of Mt. Sinai. Whichever the case, one fact however remains; that heaven opened and the GODHEAD HIMSELF visited Mt. Sinai. This becomes an important pointer to today's church of Christ that is equally confronted with this magnitude of visitation at the Kisumu Revival. We can now clearly see that the events of December 31st, 2012 were indeed of monumental magnitude, because central among the themes that visitation crusades is the fact that heaven was torn apart to allow for a discourse with the church. While many aspects of this visitation of the CLOUD OF GOD in Kisumu cannot be unravelled in this lifetime, the events of that December 31st, 2012 however project deep into the future of the church. If the Mt. Sinai visitation required a clear three days of washing their garments and preparation, then we can indeed see that GOD THE FATHER is employing this Mega visitation of HIS CLOUD to launch a serious clarion call unto the present-day church regarding sanctification and consecration. In all this, the LORD is literally saying that on that day of visitation at the Kisumu Revival Meeting, the sky was indeed torn open and heaven literally came down into that meeting. As a result, the LORD lifted the church up into HIS heavenly PRESENCE and the REVELATION OF GOD took place in the body of Christ. However, considering what the LORD Jesus Spoke unto Capernaum,
then it is indeed possible that the LORD may have also lifted His Altar into heaven. This is particularly supported by the fact that the LORD lifted me from the Altar into heaven, without anyone ever knowing that I left the Altar for sometime.

And you, Capernaum, will you be lifted to the heavens? No, you will go down to Hades. For if the miracles that were performed in you had been performed in Sodom, it would have remained to this day (Matt 11:23).

We see here that what the LORD came to attain with Israel, is exactly the same purpose HE has today come to accomplish with the church. After a short time of travel, we see that when the Israelites arrived at Mt Sinai, they encamped at the foot of that historic mountain (Ex 19:1-2). To be exact, Israel as a matter of fact encamped by Mt. Sinai at the southern tip of the Sinai Peninsula. The gravity of what the GODHEAD achieved with Israel at Mt Sinai is indeed evidenced by the biblical account which clearly states that the Israelites did not leave the Mt. Sinai area until the CLOUD OF GLORY has lifted. In other words, the LORD is saying that whenever HE comes down in HIS GLORY in this way, HE expects complete obedience to HIS instruction for the hour. It is quite unfortunate that this most required obedience is what today’s church desperately lacks. When the GLORY lifted from Mt. Sinai, the Israelites had no choice but to pack up their bags and follow GOD. So should today’s church pack up her bags and follow GOD, lest they go astray and miss their inheritance. The sounding of the trumpets, the smoke, and the earthquake were all but a preparation for a most treasured worship event that would begin from Mt Sinai all the way to Jerusalem, unto Golgotha on the Cross, and even unto the ends of the earth. In that way, we see the importance that heaven attaches to worship, and hence the GODHEAD HIMSELF coming all the way to establish the new kind of worship, that would shake the ends of the earth. Most importantly though, is that the GLORY OF THE GODHEAD came down from heaven in order to establish that the Perfect LAMB OF GOD Who comes to restore worship sacrifice, would emerge from the lineage of Israel. This is how the CLOUD OF GOD came down to establish the relationship between GOD and HIS elect church. It is absolutely incredible that when the LORD began to speak to the Israelites on that Mt. Sinai visitation however, strictly speaking, it was indeed all about the House of Jacob, the Kisumu visitation however, strictly appertains to the present-day church of Christ. Just as the Mt. Sinai fellowship was basically a discourse intended to remind Israel of what the LORD had done for them, this one at Kisumu too serves the noble lesson of rekindling a warning to the body of Christ. The GODHEAD has come to the church to caution her on the fact that it would be a tragic mistake for her at this hour to forget the mighty works of deliverance that Jesus laid on the Cross. The
GODHEAD has today appeared to the church to remind her of the holy work HE has already done by surrendering Jesus to the Cross, and the dangers of any human being failing to uphold that salvation. And for the church, it indeed makes abundant sense that the GODHEAD HIMSELF came down to re-establish the great deliverance that the SON OF MAN achieved for humanity on the Cross. This has today become a wonderful symbol and imagery that the GODHEAD is using in this metaphor to describe the supremacy of HIS deliverance that Jesus brought unto man. It was now the BLOOD of the SON OF THE LIVING GOD HIMSELF that the FATHER saw it fit to come and create this second awakening in the church. For Israel, GOD THE FATHER appeared in HIS CLOUD OF GLORY and used the imagery of the eagle to describe their deliverance from Egypt. In that metaphor, we all know that eagles fly very high above the clouds and hence are beyond the reproaches of the storms. This was intended by the LORD to underscore the supremacy of the deliverance HE brought unto Israel. For the church too, we today see that the LORD’S visitation has equally come to bring a reminder on the superiority of the deliverance that the LORD Jesus scored on the Cross (Prov 30:18-19).

like an eagle that stirs up its nest and hovers over its young that spreads its wings to catch them and carries them aloft

(Deut 32:11).

TREASURED POSSESSION

However, most importantly, the GODHEAD also brings out a crucial point that anchors the election of Israel to their obedience and covenant keeping. The nature of the covenant that the LORD demanded a strict adherence to, is set out in the 10 commandments (Ex. 20). On that mountain, the LORD further highlighted the promise that Israel would be HIS treasured possession, which implies a beloved and prized people unto the LORD. However, the praise ‘precious possession’ has often been used in the bible to symbolize the treasures belonging to kings. That can only imply that when HE descended on Mt. Sinai in the CLOUD OF HIS GLORY, the GODHEAD indeed came down HIMSELF in order to ‘treasurize’ HIS people so they can be a prized nation unto HIMSELF.

2 With all my resources I have provided for the temple of my God—gold for the gold work, silver for the silver, bronze for the bronze, iron for the iron and wood for the wood, as well as onyx for the settings, turquoise, stones of various colors, and all kinds of fine stone and marble—all of these in large quantities. 3 Besides, in my devotion to the temple of my God I now give my personal treasures of gold and silver for the temple of my God, over and above everything I have provided for this holy temple (1Chr 29:2-3).

What stands out very clearly is that when the fullness of time came to pass, the election of Israel demanded the GODHEAD HIMSELF to come down in the CLOUD OF HIS GLORY in order to prize them, and treasure them as HIS cherished beloved possession. Israel then took on the identity of the treasured possession of THE KING OF HEAVEN. So has the CLOUD OF GOD today come to the church to treasure the believers and prize them for the HEAVENLY KING OF GLORY. This is a great awakening for the Bride of Christ because it makes uphold her worth that she may never take her salvation for granted. The treasure that Israel beheld not only revolved around their heritage, but also as a result of their being the custodians of the treasured word of GOD (Torah). So is the case with the present-day church. Today’s church has the privilege of defining the treasure of heaven in these dark days. However, the greatest aspect of the treasure that the present-day church embodies is the fact that she is the only carrier of the treasured word of GOD. So treasured indeed, because the word of GOD is the only unassailable truth that remains unto this world todate. Moreover, only through the treasured word of GOD can the nations of the earth receive authentic deliverance from sin.

HOLY PRIESTHOOD

Towards the end of HIS conversation with Israel, we see that the GODHEAD finally addresses Israel as the Kingdom of priests and holy nation. This was a very significant pronouncements in that Mt. Sinai fellowship between JEHOVAH and the House of Jacob. And it goes without saying that if the entire nation of Israel could constitute the priesthood of GOD, then the diocese must be the whole world. Hence we clearly see that the election of Israel was more to their calling as evangelists of GOD’S new form of worship than anything else. So has the CLOUD OF GOD come to the church today to turn christian believers into a heavenly priesthood of this hour, that the whole world may be the diocese (flock).
Therefore, the Mt Sinai visitation of the GODHEAD HIMSELF was principally meant to highlight the climax of the narrative of GOD’S answer to their prayer for deliverance from the cruel Egyptians. Just to underscore how monumental that deliverance and climax at Mt Sinai visitation of the GODHEAD was, we see that the deliverance of Israel is continually recited in the creeds, in the songs, and in the prophetic sayings (Joshua 24:5-18; Ex 15; Jer 2:6). Todate, the house of Israel faithfully recalls and recites all the events of their deliverance by the GODHEAD through the annual celebration of the Feast of Passover (Psalm 136). Because the deliverance of Israel is high as one of the mightiest acts of GOD in the bible, then we can see that the deliverance of Israel is continually recited in the creeds, in the songs, and in the prophetic sayings (Joshua 24:5-18; Ex 15; Jer 2:6).

The missionary work of the present-day body of Christ is principally to propel the mighty acts of GOD on the Cross through the SON OF MAN in order to call men out of the darkness, into the wonderful light that they may all see the glorious Light of the coming of the Messiah. Therefore, when THE GODHEAD HIMSELF visited the Mega Kisumu Revival Meeting, HE indeed came to speak much to the church. GOD MOST HIGH came in at this last hour in order to turn the church into a prized treasure that is GOD’s chosen elect for this hour. Furthermore, HE indeed also came to remind the church of the OLD RUGGED CROSS from whose ridges are salvation became.

MAY 4th, 2013 VISION OF THE RAPTURE
On May 4th, 2013, the GOD of heaven visited with me in a very mighty way and showed me the astounding vision of the rapture of the church. In that vision, JEHOVAH took me to a place at which I saw heaven open and the CLOUD OF HIS GLORY that visited Kisumu descend towards the earth. Upon arriving onto the earth, the CLOUD OF GLORY I had seen touched the ground and caused the entire surface of the earth to be glorified. What I saw was the immense power and authority that the mighty Glory of JEHOVAH wields. When the Glory struck the ground, I saw the ground looked like there had been a heavy snowfall. The Glory I saw came down like pure white snow flakes that were shredding and falling on the ground. Moreover, when I lifted my eyes above, then I saw that on top of the massive funnel of GOD’s CLOUD there was another, and another, and another endlessly until it touched heaven. As I was still mesmerized by this profound occurrence, then all of a sudden I saw the CLOUD OF GOD GLORY lift from the earth. However, when I looked at the lifted Glory, I saw people in their glorious eternal bodies lifted with the Glory towards heaven. That is when I saw them unite with the Glory of the LORD in the sky, and a CLOUD came that covered them into heaven. For the LORD to present this stun vision of how HIS CLOUD will lift with the holy saints, and head towards heaven, then the LORD for sure must be imploring the present-day church to nurture a much closer relationship with HIS holiness.
Then we your people, the sheep of your pasture, will praise you forever; from generation to generation we will proclaim your praise. Psalms 73:13

Tending The SHEEP OF JETHRO

PREFACE

IN THIS CONVERSATION, the message with which the CLOUD OF THE LORD’S GLORY comes, is intended to make humanity realize that events are moving much faster than we thought, in the heavenly realm. Being the main object of this conversation, the church of Christ is equally expected to follow suit and simulate her spiritual calendar in tandem with this rapid movement in heaven. This discussion bears an enormous potential to birth out the beginning of a deeper inner spiritual revival within the body of Christ. It hence accords this message the privilege of bearing a serious implication on the eternity of the nations.

THE BIRTH OF MOSES

IN ORDER TO honourably interpret the message of the LORD embodied within the December 31st CLOUD OF HIS GLORY, it is extremely important to revisit those moments in biblical history, when this particular CLOUD descended upon the face of the earth. Among the revered prophets of the bible, Moses the MAN OF GOD stands out very high, as the one who had some very astonishing encounters with this CLOUD of JEHovaH. Right from the beginning, the life of Moses in itself spoke much about the very mission that the LORD would later bestow upon his life. It can vividly be remembered that Moses was born at a time when the house of Jacob was undergoing a severe distress of monumental proportion. The Egyptian Pharaoh had handed down a cruel ordinance, requiring that midwives carry out a genocide by annihilating all male Hebrew babies right at birth. The amount of distress that this scenario unleashed into the Hebrew community was totally unbearable! It is indeed not possible to imagine how a mother would carry a baby for nine months, and then witness the baby being murdered right at birth! Nevertheless, Moses was anyhow born under such dire circumstances, in a manner that greatly bespoke of his life’s mission. It is this cruelty which Moses met right at birth and how the LORD JEHovaH was able to rescue him around that grim danger, that greatly revealed volumes on his life’s journey. To the extent that his own mother who had carried him to full term, and gone through the whole ‘nine yards’ of the labour pains, could now coat a basket with tar, and release him in the fast-flowing River Nile! This in itself defined a miraculous rescue of JEHovaH over the life of Moses. No wonder, upon miraculously salvaging him from death and raising him at the King’s palace, Pharaoh’s daughter had no choice but to name him Moses, which in Egyptian means, I rescued him from the water.

Now a man of the tribe of Levi married a Levite woman, and she became pregnant and gave birth to a son. When she saw that he was a fine child, she
hid him for three months. Then Pharaoh’s daughter went down to the Nile to bathe, and her attendants were walking along the riverbank. She saw the basket among the reeds and sent her female slave to get it. She opened it and saw the baby. He was crying, and she felt sorry for him. “This is one of the Hebrew babies,” she said. Then his sister asked Pharaoh’s daughter, “Shall I go and get one of the Hebrew women to nurse the baby for you?” “Yes, go,” she answered. So the woman took the baby’s mother. Pharaoh’s daughter said to her, “Take this baby and nurse him for me, and I will pay you.” So the woman took the baby and nursed him. When the child grew older, she took him to Pharaoh’s daughter and he became her son. She named him Moses, saying, “I drew him out of the water.” (Ex 2:1-10).

Majestic CLOUD equally brings into today’s church. This narrative of the life of Moses at birth and the gallant rescue plan that JEHOVAH put in place to salvage him, is what shed some light on the person of Moses, and the character that would mould him. This was like GOD’s seasoning and moulding process through which Moses had to be processed, in order to shed his feeble character, and take on a tough trademark of a deliverer. The bottom-line being that Moses became part and parcel of GOD’s Master Plan for the shocking rescue of the Hebrew nation from the claws of an abusive slavery. It is within this grand rescue plan, that GOD has placed the message of the December 31st visitation of the CLOUD OF GOD. This CLOUD OF THE LORD’S GLORY appeared like a funnel that came all the way from heaven and slowly but steadily approached the meeting until it touched that sacred assembly at Kisuvalu.

THE CALLING

In his encounter with this CLOUD, Moses the MAN OF GOD teaches a profound lesson to the present-day church, especially now that she too has encountered this same enormous Fearsome Funnel of THE LORD’S CLOUD. Today’s church can learn a lot from the manner in which the LORD appeared to Moses in this CLOUD, and the reverence with which Moses executed every single instruction of GOD. Having been himself rescued from eminent death by JEHOVAH THE GOD of Israel, there was no way Moses was going to put up with the underhand dealings of the Egyptians, and their blatant abuse of the Israelites. This uncompromising stance on the part of Moses, is what drew him into a very bitter conflict and scuffle with the Egyptians, to the extent that he at one point chose to take refuge away from that wickedness. And it was during such a time, that Moses decided to go and shepherd the sheep of Jethro, his father-in-law. It appears that in JEHOVAH’s calendar for the life of Moses, time had now come for the CREATOR to confront HIS Servant and call him into a sacred service. The manifestation of this calling is what presented a very dramatic picture of that mighty calling upon the life of Moses. One can easily single out that Moses was a very dedicated and devout individual whose total attention always rested upon the task at hand. So one can imagine that when the shepherding of Jethro’s sheep presented as a career opening for him, Moses must have done it with utmost dedication and accorded it the total commitment of his life. At that juncture, all pointed at the fact that Moses must have ultimately settled to shepherding as his lifelong career and treasured source of livelihood. However, it was while he was still caught up and totally consumed within the ranks of shepherding, that the LORD began to encounter him. At this point in time, Moses had not yet understood that by shepherding the sheep of Jethro, the LORD was in actual sense training and preparing him for the shepherding of HIS own sheep, Israel. The feeding of Jethro’s sheep was by no means a simple task, as it required the diligent sharpening of his pastoral skills. And for Jethro to have assigned Moses the task of shepherding his sheep, it then became the true litmus test that Jethro had laid before Moses, in order to really assess his pastoral skills. This was the silent message only known to the two, Jethro and Moses, owing to the fact that at that time Jethro as a father-in-law, was testing the worthiness of Moses as a so-in-law. Nevertheless, it was one day as Moses was carefully shepherding the sheep of Jethro, that he suddenly, out of nowhere, bumped...
into a burning bush within the vicinity of his pastures. Be as it may, he quickly realized that there was something totally amiss about this burning bush. What particularly caught the attention of Moses is that in as much as there were tongues of raging flames upon the burning bush, the bush in itself did not seem to be burning. To put it another way, the bush was simply not catching fire even as the flames vigorously raged on.

THE BURNING BUSH

TO BEST UNDERSTAND the message that is being relayed to the church as a result of this humongous December 31st visitation of GOD'S CLOUD, it is prudent to highlight the encounter Moses had with this very CLOUD in the wilderness. All had seemed normal as Moses went about his routine of tending the sheep of Jethro on that landmark day, then suddenly came this life-transforming encounter with the CREATOR. He saw the bizarre scenario of a burning bush in which the flames did not consume the bush. And upon realizing this anomaly that was unfolding right before his eyes, Moses became curious enough to go find out what this weird development was all about. Within the shepherding communities, everytime a strange occurrence shows up in the grazing grounds, the first natural instinct of a good shepherd is normally to first secure the protection and safety the flock. This is the impulse that must have compelled Moses to want to know who exactly had set up that bushfire. And of course, central in his mind was what implications this burning bush would bare upon, not only the pastures for his beloved sheep, but most importantly their consequent safety. However, it was this advance that Moses made towards the burning bush that sparked off the most serious conversation ever, and set in motion the mightiest encounter that ever occurred between man and GOD. In all this however, it is most critical to note that it was not until Moses made the first step to go investigate that strange bushfire, that the LORD JEHOVAH finally called him in an astounding landmark calling.

When the LORD saw that he had gone over to look, GOD called to him from within the bush, “Moses! Moses!” And Moses said, “Here I am.”

This Voice of JEHOVAH calling man from the burning bush became biblically established as the classic calling of The PROPHET OF THE LORD. And by Moses responding, “Here I am”, it also scored yet another milestone as it coined the classical response of YES to the calling of the LORD, when JEHOVAH Calls HIS Prophets. Of particular interest to the church though, are the events that rolled out after the LORD Called Moses from HIS GLORY. The astounding message that the December 31st visitation of the CLOUD conveys to the present-day church therefore, will have to come from none other than that monumental encounter that Moses had with GOD ALMIGHTY in the wilderness. It is an encounter that practically laid the foundation stone of worship, not only among the Israelites, but also in the church of Christ. And it is this that undeniably reset the clock of man's relationship with GOD ALMIGHTY.

REVERENCE UNTO GOD

It must be remembered that nothing happened until Moses responded, "Here I am," to the Voice of JEHOVAH. It was upon that positive response, that the LORD began to engage with Moses regarding worship. And in that conversation, the first and most important instruction that JEHOVAH directly relayed on worship, was reverence. Very much aware that it is reverence that breeds humility and submissiveness, then the LORD decided to say the following;

“Do not come any closer,” GOD said. “Take off your sandals, for the place where you are standing is holy...” (Exodus 3:4).

NATIONAL REPENTANCE / UHURU PARK NAIROBI / February 24, 2013

A section of the great multitude that gathered to return to the LORD...
This principally marked the first consecration of worship because the LORD raised the place of HIS GLORY as a very holy ground, that needed a certain acceptable spiritual protocol to access. The restraint that the LORD put in place for Moses not to draw any closer, is what later would turn out to be a very important aspect that underscores the reverence with which JEHOVAH expects the church to approach HIM. And the removal of sandals in HIS divine Presence signifies the humility and submissiveness with which the LORD expects mankind to approach HIM. By instructing on the removal of sandals, the LORD wanted to emphasize to the church that whenever HIS GLORY descends on a place, that place becomes sanctified and hence assuming the status of holy ground. Moreover, the removal of sandals that Moses was instructed to observe, verily signifies the separateness of that place from the rest of the grounds where he would still trample with sandals. Furthermore, the removal of sandals as one approaches a higher place normally signifies reverence unto HE that occupies that place. In the Near-Eastern culture, when people enter a respectable house, they will often remove their sandals at the door as a sign of humility to the host. Yet, it is also the expression of the inner humbleness and brokenness that prevails in the heart of that person visiting. In this way, we can clearly see that the LORD attaches great admiration to the broken, humble, reverent, and contrite. It is amazing that Moses previously for a long time had the liberty to graze on that entire patch of land including where the GLORY descended, and yet on the day of visitation it became holy ground.

We see very clearly that it is at GOD’s discretion of grace to choose whichever place HE chooses to visit and declare it HOLY GROUND.

RESTORING THE CHURCH

That can only imply that when the LORD decided to visit the Mega Revival Meeting at Kisumu by descending in HIS CLOUD, HE implicitly declared that the House of the LORD is now holy ground. And if there were practises that constituted apostasy and decay in the House of the LORD, there would then have to be a stoppage to such abuse. In other words, the GOD of Heaven is saying that over the years HE has watched HIS House miserably defiled and desecrated, and hence HE has decided to descend in the CLOUD OF HIS GLORY in order to consecrate it and declare it once more as holy ground. In the same narrative we see that whenever the GODHEAD HIMSELF descends into a place, the way that place is approached indeed changes owing to the fact that the visitation of the LORD now sets it apart. In this case too, the LORD is Saying that by coming and being FULLY TABERNACLED in the church, HE has essentially brought in a powerful consecration to the House of the LORD, thereby requiring that Christians now approach the House of worship with extreme reverence as did Moses. The LORD is highlighting the fact that there has been so much trampling over HIS holy Altar using sandals of all kinds, and that now there will not be any more desecration of HIS House of worship. By ordering the removal of sandals, we can clearly see that HE is conveying to the church a strict instruction that at this hour as they approach HIS church, they would have to recognize that HIS Holy Presence is in the House. It is this Presence of the LORD in the CLOUD OF GOD that now demands for reforms to be instituted inside the church. The LORD is calling upon the Pastors and sheep alike, to remove the sandal of immorality before they can enter HIS Holy Presence. Likewise, the LORD is ordering that anyone wearing the sandals of the gospel of prosperity, materialism, worldliness, sexual sin, homosexuality, abortions, witchcraft, nude dressing, and all vices, would today have to be compelled to remove their sandals before they can venture into the worship house. In other words, GOD is Saying that the House of the LORD has now become holy ground. This is what has put a standard to the worship requirements of the LORD, such that any church spotting the sandals of false prophets, false apostles, false teachers, false evangelists would have to download them first before entering into worship. Thus, the LORD is saying that this is the hour for observing a holy evening worship. It has become the indictment of our time, owing to the decay that has eaten into the hearts of the present-day believers.
THE CLOUD OF GOD IN THE CHURCH

Distinguishing His People

When the LORD Jesus appeared in that humble Bethlehem manger, little did the world know that HE had come to light up the path of GOD’S leading. Along that highlighted path of GOD’S leading, the LORD Jesus would ensure that HE draws the church into the heavenly highway of holiness, where she would be afar from the reproaches of this sinful world. This highway is well celebrated in Isaiah 35:8-9, and greatly denotes the path of godliness and righteous living in accordance with GOD’S infallible law. However, it was not until HE showed us this straight road to heaven, that humanity was awakened to the realization that such a path actually navigated its way via the BLOOD-stained Calvary Cross. In so doing, the LORD Jesus indeed accomplished a marvellous fête in HIS mission, and surrendered the church unto the leading of the Holy Spirit. It is this leading of the Holy Spirit, that has now been greatly manifested through the monumental CLOUD OF GOD that visited at the Kisumu Revival on that memorable December 31st, 2012. This CLOUD OF GOD has since then become the hallmark of the much anticipated navigator and latter visitation in the church. Moreover, owing to what is now at stake regarding the coming of the Messiah, THE GODHEAD HIMSELF must have seen that the Israelite-style kind of rebellious and outrageous provocation had now set in at the camp of today’s christians believers. Previously, such a rebellion had deeply eaten into Israel enroute to the Promised Land, thereby causing a serious breech of trust to unravel between them and the LORD. It is this kind of moment that has today resurfaced in the church, with genuine Christians who had otherwise been well liberated at the Cross, all of a sudden turning around and making some scandalous demands from the LORD, by longing for a return to the worldly slavery of sin. THE GODHEAD HIMSELF hence found HIMSELF compelled to descend into the church, on that December 31st 2012, in order to call her to order. For THE GODHEAD HIMSELF to have decided to come down in PERSON into the church, and at this
nobody seemed to accept the counsel of Moses regarding the seventy officials that were meant to take up authority and usher them into the Promised Land. That is the time when the LORD decided to intervene on behalf of Moses, in order to quell the unrest. There was no way out except that THE GODHEAD HIMSELF has now finally come down in order to restore the integrity, authority, and decorum with which Christian salvation was first handed down to the church, from that Old Rugged Calvary Cross. The CLOUD OF GOD has hence come and Tabernacled into the present-day church, in order to fully establish the credentials of the visited pulpit. It by all means implies that the visited priesthood definitely stands to enjoy all the rights of the anointing of GOD for this hour in the church. This is the only way in which the priesthood that has been visited by THE CLOUD OF THE GODHEAD is highly DISTINGUISHABLE from all the other priesthoods in the land. Owing to the waywardness that the gospel of prosperity and immorality has brought into salvation, today’s church spots a pulpit that has lost all integrity. This is because of the great unrighteousness that has assaulted the hearts of the pastors as they clamour to fend for their daily living, and fit into this modern world. Owing to the great spiritual famine that has befallen that House of the LORD, many sheep are so hungry for the word of GOD that they literally eat anything that comes their way. This is what has created a desperate situation in the church, to the extent that the sheep are unable to detect who of the present-day pastors is exactly genuine or not. This is what has drawn confusion into the House thereby requiring GOD’S intervention to give clarity on who HIS legitimate servant are. In this way, GOD ALMIGHTY has opened up the gates of heaven and come down in the greatest Power of HIS Presence in order to anoint those who are HIS genuine Servants, that they may command respect from within the House, and without. This level of anointing that THE GODHEAD HIMSELF has descended down to install into the church, is what will now flourish a
manage their time, away from their slave masters. It is this liberty ‘to do what they wanted’, that particularly posed a very grievous problem to the Israelites in the wilderness, to the extent that if any progress was to be made in the journey, they would have to surmount this ‘monster’ called liberal freedom. It was also important for law and order to prevail within the camp so that they could turn away from sin and a form of civilized lifestyle be attainable without much hassle. This unanticipated freedom is what caused the Israelites to go wild, and secure for themselves some strange and rogue liberties that drove them to become virtually unruly, uncontrollable, sinful and rebellious against Moses and the LORD. To make matters worse, in that rebellion, the Israelites even went ahead to build for themselves a mute idol god in the form of a golden calf! Things still further went out of hand another level, when at the peak of their idol worship, they now began to even scandalously demand for a return-to-Egypt formula as the only way GOD ALMIGHTY would have helped them without judging them and wiping them out in the wilderness.

The Voice of GOD and opted to lust at ‘the large pots of meat’ she used to eat in ‘the land of the Nile’. It is this form of modern-day Egyptian slavery at a time when Christ Jesus paid a horrendous price for her salvation; that demands THE GODHEAD to descend and bestow upon the present day church HIS goodness before constructively engaging with her. Otherwise, arising from the merit of the abomination of homosexuality in the church, and the blatant selling of salvation at market price, THE GODHEAD ought to have wiped out the church in the wrath of HIS anger. And that is why, blessed is the church that is visited by THE GODHEAD, because unto her the goodness of GOD is released with HIS mercy thereof.

God's Timing In The Church

H eaven and earth are no wider apart today, than in the days of old when JEHOVAH listened to the outcry of HIS people. In those days, as the righteous remnant continued in their steadfastness unto the holy ways of the LORD, the wicked were still indulging in excessive immorality by day and night. Through those trying moments, the righteous elect talked together of their Promised Saviour, and prayed for the coming of their deliverance. We can therefore never lose sight of that moment in history, when the LORD JEHOVAH received a flood of complaints from those few remaining law-abiding citizens of Sodom, regarding the cruel abuses that were being commissioned by the ungodly. And key in JEHOVAH's most classical response to that distress call, was one in which HE Said that the situation was getting out hand, and hence grave enough to warrant HIS going down there HIMSELF, to check it out! And in that fact finding mission, JEHOVAH vowed that if HE would find...
hour, HIS longing to institute reforms and spiritual austerity into the House, indeed cannot be concealed. Such reforms once acted as an important safety valve that redeemed Israel from drifting away, when THE GODHEAD HIMSELF descended to enforce such austere lifestyle among the Israelites in the wilderness. Like HE did with Israel in the days of old, so has THE GODHEAD HIMSELF once more perceived the dangers of letting the church pursue her own trajectory and hence decided to come SHEPHERD HIS church into her heavenly destiny of rapture. And in this divine intervention by THE GODHEAD HIMSELF, there are some notable character changes and resounding benefits that ought to accrue to an obedient church. Earlier on, Israel had enjoyed such benefits under the auspices of GOD's leading. If Israel were to be that perfect classroom at which the LORD intended to teach the church something, then we are well instructed that when she was SHEPHERDED by THE GODHEAD HIMSELF in that wilderness, one thing that had bedevilled her was completely brought to rest. And this one thing that was sorted out right away upon the descent of the GLORY of THE GODHEAD was that she never ever strayed again from the path that led to Jerusalem. That can only imply that if today's church were to learn a thing or two from Israel, then that thing would be, to harken unto the leading of GOD'S CLOUD. And hence if today's body of Christ will equally harken unto GOD's leading in this December 31st CLOUD, then she should for sure never ever go astray from the path that leads to heaven. Even in the natural, whenever any sheep goes astray from the defined direction of the Shepherd, such a sheep always become an easy prey and food for the hyenas of this world. So it is in the spiritual, as greatly underscored in the significance of this CLOUD OF GOD that has now REVEALED as the latter anointing of today's church. The LORD is the GOOD SHEPHERD, and no one can ever gainsay this outstanding fact.

But when He, the Spirit of Truth (the Truth-giving Spirit) comes, He will guide you into all the Truth (the whole, full Truth). For He will not speak His own message [on His own authority]; but He will tell whatever He hears [from the Father; He will give the message that has been given to Him], and He will announce and declare to you the things that are to come [that will happen in the future]. (John 16:13)

Moreover, it is GOD’s leading through this CLOUD that has the capacity to anchor Christians to remain steadfast on the holy and righteous path of the LORD. In so doing, GOD'S leadership through this CLOUD is what would effectively transform today's church and prevent her from making all the wrong judgments, and abate falling prey to the hyenas and leopards of this world.

Companionship
The christian journey can at times be very gruelling owing to the challenges that show up here and there. If there is anything that present-day post-modern world has perfected, then it is the utter rejection of the LORD with all HIS holy virtues of life. And this has not made the christian living easier! Many times as the devout christian elect of this hour engage in this journey of holiness, they often face what I would term as spiritual aggravated assault from this sinful world, to the extent that the journey sometimes becomes quite gruelling and exhausting. It is this particular challenge that has made many christian believers to shy away from walking the highway of the LORD, in exchange for receiving a form of acceptability from this perishing world. That is the reason, THE FEW GOD’S elect who decide to pursue walking the highway of holiness, find themselves almost alone on that journey owing to the fact that most Christians have today opted out of the narrow path, and publicly chosen the broader way that blends in the comforts of this world. Hence, for THE GODHEAD to decide to Tabernacle HIS CLOUD into today's church, HE must have therefore intended to bring remission and companionship to the devout believers who choose to remain steadfast on the highway of holiness. While these elect journey on this highway, GOD'S CLOUD is what is intended to exonerate them from the loneliness that had otherwise today characterized any holy christian living, towards the glorious Kingdom of GOD. We must remember here that at one point when the LORD had just delivered Israel from the Egyptian slavery, they too were confronted an uncertain future because the land they were going to was a place they had never been to before. And to make matters worse, the LORD designed their escape route in such a way that...
it cut across a long stretch on a vast wilderness that was mostly totally uninhabited. This separation that the LORD had brought upon the Israelites, now meant that they were on their own, on that journey to the Promised Land. This is what stirred up a great fear of uncertainty among the Israelites since they knew that the wilderness indeed spotted desert jackals, desert lions, desert leopards, and desert snakes among other dangers. Moreover, they were also very much aware of the marauding desert pirates and gangs that often roam over the wilderness in search of any stranded caravan. This state of the affair is what caused Moses to cry out to the LORD and ask for HIS divine intervention in the face of such dire circumstances. 

14 The LORD replied, “My Presence will go with you, and I will give you rest.” (Ex 33:14)

Today’s generation of Christians too face such dire circumstances on this wilderness journey towards heaven. It is as though the world has effectively ramped up a barrage of tremendous hostility that are targeted towards anyone that dare chooses to pursue a holy separated christian lifestyle at this hour. It is a constant and continuing bitter conflict that sometimes takes a toll on the unsuspecting believers as they opt out into a mellow form of christian living that essentially defines the lukewarmness and backsliding of this day. And in a generation that so much dreads loneliness, there couldn’t have been a better moment for the CLOUD OF GOD to visit and bring the much needed companionship of GOD to HIS devout seekers of righteousness in the church. This is what might act as the game-changer in the present-day churches, considering that right now things are headed south! Things have gotten so bad that christian believers who dare confront holiness, and attempt to pursue it as a lifestyle, often sometimes wind up consulting psychologists, psychiatrists and the so-called life ‘coaches’. Moreover, today’s christian believers have also found themselves entangled in the social media as a means of getting some companionship of sorts in their journey. This is indeed what has come to define the absurdity of this hour in the House! Therefore, the companionship that the CLOUD of THE GODHEAD HIMSELF brings to the devout elect along this narrow road to heaven, is what brings abundant joy abound their lives, as they discover the beauty of walking a holy lifestyle at this dark hour. 

14 But small is the gate and narrow the road that leads to life, and only a few find it (Matt 7:14).

It is a hidden joy that THE GODHEAD HIMSELF has the capacity to unleashes unto they that fully submit their hearts and souls in the pursuit for righteousness.

Distinguishes His people

For Israel, despite the tumultuous time they may have had in the wilderness, they were very well aware of the fact that they had partaken of the visitation of THE GODHEAD HIMSELF. As they vouched on with their journey towards the Promised Land, slowly but gradually the House of Jacob had to grapple with the fears of encountering other communities, in the land they were to possess. This melancholy became more real in the camp the more they drew closer to the land of Canaan. That became the watershed moment at which when they began to vividly contemplate on how they could preserve the gains that they had earned in the wilderness encounter with THE GODHEAD, in order to score an edge over the communities with whom they were bound to engage. Israel wanted all the communities they would gain contact with on this journey, to become well aware that they had actually been tremendously visited by THE GODHEAD HIMSELF. They wanted the alien people that they would encounter to be able to outrightly recognize that the House of Jacob had indeed been led by THE GODHEAD HIMSELF, giving them light to light their path and travel in the night, while also raising the Pillar of HIS CLOUD in front of them by the day, searching for a resting place for them, and leading them to that safe place of recess. That is what compelled Moses to go before the LORD, and request HIM to define the House of Jacob as a distinguishable people from the rest of the inhabitants of the earth.

15 Then Moses said to him, “If your Presence does not go with us, do not send us up from here. 16 How will anyone know that you are pleased with me and with your people unless you go with us? What else will distinguish me and your people from all the other people on the face of the earth?” (Ex 33:15-16)

This is the distinction that highly distinguished the Israelites from the rest of the people on the face of the earth, when they arrived in Jerusalem. It made any community that they ran into, fear them, revere them, and honour them very much owing to the awareness that they had been visited THE GODHEAD HIMSELF. This is what marked them in the sight of all the
other communities, as the people of THE GODHEAD, and hence nobody on the face of the earth could dare contest their ways. As they continued the holy worship throughout the wilderness, they quickly noted that the more they worshipped JEHOVAH, the more they ascribed to the status of HIS treasured possession.

Now if you obey me fully and keep my covenant, then out of all nations you will be my treasured possession. Although the whole earth is mine, you will be for me a kingdom of priests and a holy nation.' These are the words you are to speak to the Israelites." (Ex 19:5-6).

And once the Israelites had arrived in Jerusalem, they were again awoken to the realization that, the more they observed a holy worship on Temple Mount, the more the sustained visitation of the CLOUD OF THE GODHEAD continued to visit them on top of the Ark of Covenant. This is what even furthermore DISTINGUISHED Israel as quite apart from the rest of the people of the earth.

**Distinguishing the church**

In unveiling the greater hidden treasure that is concealed within today’s mighty visitation of the CLOUD OF THE GODHEAD, it is absolutely imperative that we bring into consideration certain key chronological precepts that have often characterized the visitation of the CLOUD OF GOD. These precepts include the fact that whenever the GODHEAD HIMSELF decides to descend upon the face of the earth, the place of HIS visitation often automatically becomes cordoned off as SANCTIFIED. It is this sacred sanctification of the place of visitation of GOD’S CLOUD that will on every occasion cause such a locality to be declared totally CONSECRATED. Furthermore, it is this sanctification and consecration of a place, that officially pronounces it HOLY GROUND.

And the people that partake of such a sacred visitation at that holy ground, often right away become pronounced GOD’S holy people. This is because to them that are visited and defined holy, is assigned the noble privileged task of executing a holy worship unto the LORD. Such a prescribed HOLY WORSHIP however is governed by GOD’S holy law of righteousness. This is the spiritual catalogue in which such a visited people are ascribed the lofty status of being GOD’S TREASURED ELECT, as a result of their strict observance of GOD’S righteous law.

Moreover, the only thing that makes a church that has been visited by THE CLOUD OF THE GODHEAD distinguishable from the rest of the world, is the holy christian lifestyle that encounter bestows upon her. THE GODHEAD HIMSELF has today visited the church, and is essentially demanding that the church must now embrace the holy ways of heaven in order to enter into the status of the most treasured possession of GOD. That most treasured possession of GOD in church is none other than the holy, royal, priestly bride of Christ. This is the only way in which all the nations upon the face of the earth will know that the church of Christ has finally been visited by THE GODHEAD HIMSELF, and is now highly DISTINGUISHABLE from the rest of the occupants of this planet earth.

But you are a chosen people, a royal priesthood, a holy nation, God’s special possession, that you may declare the praises of him who called you out of darkness into his wonderful...
bound bride of the Messiah. That is the reason for which THE GODHEAD HIMSELF decided to visit the church on that December 31st, 2012 at the Kisumu Mega Revival Meeting. HE is indeed now fully Tabernacled in the church, that HE may direct the course the events that define the spiritual destiny of the present-day church!

Anointing His People
When the CLOUD OF GOD MOST HIGH stood before HIS Altar in Kisumu, HE declared it the holy place of HIS Sanctuary, and ever since then, the church has now become conscious of a divine Presence. Everytime the CLOUD OF THE GODHEAD visits HIS people, HE often comes to bestow the joyful assurance of heaven unto their lives. And in that joyful assurance, whenever THE GODHEAD visits HIS people, HE must always anoint them for the wonderful works of the Kingdom. Considering this attribute of the CLOUD OF GOD, then one can easily say that there is no better time in the history of the church than now, when she most needed the anointing and help of GOD. By so coming to anoint the Priesthood of the visited church, GOD ALMIGHTY is essentially saying that the hour beholds for reign of the Holy Spirit and the baptism of the congregation with fire. HE is doing so within the backdrop of the challenges that have today bedevilled the church, problems the body of Christ cannot surmount except through the help of HIS MIGHTY HOLY SPIRIT. There are several occurrences that have today mauled the church to the bones, owing to her lack of a clear spiritual discernment. Today, if it is not contests between Pastors, then it will be an outright rebellion by the congregation against GOD’s sacred command, because everything in the conduct of the practice of the church, has at this hour become highly suspicious and very questionable. This is owing to the grand fall and apostasy! We can well remember that Israel too had at one time found herself at this bad corner, when Moses the MAN OF GOD was instructed to raise forth an official council of elders to help him govern the people of GOD. The LORD saw that the burden Moses bore for the children of Israel was beginning to overwhelm, and HE hence decided to devolve some of the powers and responsibilities from Moses to the elders. That became the watershed moment at which the LORD commanded Moses to raise forth some credible elders for Israel, during her journey through the wilderness. In full compliance to that command, Moses chose 70 elders of sound standing, from among the Israelites in the wilderness. The purpose for appointing this council of elders, was that they may help Moses administer certain aspects of living among the children of Israel in the camp. However, owing to the apostasy that had entrenched in the camp, many from the congregation of GOD’s people became very sceptical of the choices of Moses, and literally rejected that council. Most likely, the decision by the Israelites to hold the appointed council to suspicion must have been highly informed by how much decay they had observed within such headmen in the days previous. This is what threw the ‘spanner into the works’ when lawlessness threatened to overrun the camp and ground its activities. In that discord and condensation, Israel was plunged into the darkest hour of her exodus as
prolific blossoming of the 'Aaron's rod' in His genuine priesthood at this hour. This is the only way in which JEHOVAH will ascertain that the endtime revival engulfs the church, by ensuring that only His bonafide servants command respect and authority among His sheep. It is a move of GOD on time, in order to lead the flock into the glorious Kingdom of GOD. We are hereby vividly reminded of one such moment, when a bitter conflict ensued between Aaron and the other contestants, regarding who exactly had the right and authority to minister the sacred word of GOD unto His people. Just as THE GODHEAD HIMSELF had to visit the seventy elders which the sacred statutes of GOD were handed to Moses the Stone Tablets on which the sacred statutes of GOD were engraved.

12 The Lord said to Moses, “Come up to me on the mountain and stay here, and I will give you the tablets of stone with the law and commandments I have written for their instruction.” (Ex 24:12).

This becomes yet another moment at which we can well comprehend how dear to His Heart, the heavenly statutes are. That THE GODHEAD HIMSELF may come down and preside over both the enactment and the promulgation of the statutes of heaven that would descend onto Mt. Sinai in THE CLOUD OF HIS GLORY. It was on that auspicious visitation that THE GODHEAD HIMSELF handed to Moses the Stone Tablets on which the sacred statutes of GOD were engraved.

Upholding God’s Statutes
When the time came for the LORD to document the covenant that would reign between HIM and HIS people Israel, owing to the gravity of that occasion, THE GODHEAD HIMSELF had to do so. Through this act, He reminded of one such moment, when Moses put apart in the leadership of Israel, so did THE GODHEAD again order to lead the flock into the glorious Kingdom. JEHOVAH HIMSELF is now demonstrating His authority and respect among HIS people. Just as THE GODHEAD has come down from HIS lofty Throne in heaven, and accepted to be Tabernacled within the church, in order to preside over this holy pilgrimage in which the body of Christ is involved on the way to HIS Kingdom. JEHOVAH HIMSELF is now temped in a human shelter with the due duty of inspecting the institution of all HIS statutes and their observance thereof. Key among the laws that GOD MOST HIGH is quick to enforce is that well established scripture in Hebrews chapter 12 verse 14; a scripture that boldly lays out the rule of the game for entry into the rapture of the church. Put together, one can easily sum up the mission of THE CLOUD of THE GODHEAD in the church, as being one in which HE has come to not only institute, but also establish holiness as the hallmark that vividly DISTINGUISHES HIS people from the rest who have no governing law over their law.

He spoke to them from the pillar of cloud; they kept his statutes and the decrees He gave them (Psalm 99:7).

Bestowing His Goodness
For Israel, their desperate experience in Egypt appears to have highly informed the way in which they handled the encounter with THE CLOUD OF GOD, on a daily basis. Given that their lives in Egypt were largely defined by a brutal slavery, then it is understandable that there arose a dire need for GOD’s leading in the camp. While they had been fully accustomed to total submission to daily command from their Egyptian masters, Israel was now confronted with a totally different challenge. They were faced with having to deal with a life in total freedom and liberty. This posed a serious trial that emanated from the fact that now the children of Israel had to learn to live their lives in liberty and
that the level of ugly act that was being perpetrated by the wicked, was equal to the level of complaint HE had received, He would then know what to do.

Then the LORD said, “The outcry against Sodom and Gomorrah is so great and their sin so grievous that I will go down and see if what they have done is as bad as the outcry that has reached me. If not, I will know.” (Genesis 18:20).

In the same way, when the children of Israel cried out aloud to THE LORD as a result of the great abuse that the Egyptians were perpetrating upon the House of Jacob, HE listened from HIS Throneroom in heaven and came to their rescue. However, as Israel embarked on the journey to Jerusalem, they soon again ran into some serious obstacles. Principal among them was the danger that the Egyptian army posed onto the Israelites as they engaged in hot pursuit to recapture them. This became yet another moment when Israel had to again cry out THE LORD for rescue. Part of the main reason as to why the Egyptians pursued them into the wilderness, is because Israel acted as though she was terribly stranded in the wilderness with no where to go. And that is why when THE GODHEAD HIMSELF decided to descend in THE CLOUD OF HIS GLORY that visited the wilderness, one of the most important things that THE CLOUD brought into this stalled voyage, was THE TIMING OF GOD. For Israel, when THE GODHEAD came down in THE CLOUD OF HIS GLORY and installed HIS timing on her exodus, that involved much more than meets the eye.

In spite of this, you did not trust in the Lord your God, who went ahead of you on your journey, in fire by night and in a cloud by day, to search out places for you to camp and to show you the way you should go (Deut 1:32-33).

It literally entailed THE CLOUD OF THE GODHEAD going ahead of Israel to search out places and find safe haven at which there would be minimal dangers to the women and children, and all people. Upon searching out such safe places, THE LORD also ensured that there would be an oasis of water nearby for them to drink from. That is when HIS CLOUD would lift and lead the children of Israel to that designated place.

In all the travels of the Israelites, whenever the cloud lifted from above the tabernacle, they would set out; but if the cloud did not lift, they did not set out—until the day it lifted. So the cloud of the Lord was over the tabernacle by day, and fire was in the cloud by night, in the sight of all the Israelites during all their travels (Ex 40:36-38).

However, when one carefully examines the state of the affair in the present-day church of Christ, one is left with no choice but to conclude that she is acting as though she is terribly stranded on this journey towards the Kingdom of GOD. In stead of making progress, the enemies of the Cross have caught up with her and are in the process of returning her back to captivity. This is the reason GOD ALMIGHTY has now come in THE CLOUD OF THE GODHEAD HIMSELF in order to not only give her direction, but also institute in her voyage the timing of GOD. When THE CLOUD settled, the Israelites encamped, and when THE CLOUD lifted, they packed their things and set out. In that way, disobedient Israel turned her demeanour around and became the most obedient Israel. This is the regime of the timing of GOD that THE CLOUD OF THE GODHEAD has brought into the church. The church too is being urged to now undergo a total transformation from a House of disobedience into a congregation of the most obedient elect. Therefore, by being Tabernacled inside the church of Christ, THE CLOUD OF GOD has essentially brought the timing of GOD into the christian walk into the glorious Kingdom of the rapture. This message of the intuition on the timing of GOD couldn’t have come at a better time in the life of the church. Today the church lives in the post-modern 'instant world' in which virtually everything is instant in the life of the believer. Such a tweeter, face book, google talk, skype, viber, emails, icloud, generation, may indeed find it so hard to adjust to the regimen of GOD's timing that this CLOUD brings to the church.

But do not forget this one thing, dear friends: With the Lord a day is like a thousand years, and a thousand years are like a day (2 Peter 3:8).

If today's church is going to find her way into the Kingdom of GOD, she would have to return to the old biblical ways where GOD’s timing is the best.
