

NOVEMBER 2009 PROPHECY OF EBOLA FULFILLED IN 2014

THE PALE HORSE RELEASED IN EGYPT

JULY 29th, 2009 VISION FULFILLED

In the hope of arriving at an awakened and more righteous church, GOD ALMIGHTY in heaven decided that the time to dispatch forth unto the earth a strong deputation of fierce horsemen had come. This delegation of competent heavenly Emissaries, was primarily intended to stir up the bases of human lifestyle, and cause men to rethink their course. When this delegation of well professed four apocalyptic horsemen approached the earth in their respective sequences, they indeed shook the life of mankind to the core. In so doing, these well-stated ferocious beasts expressed an air of profound authority that was not designed to impress mankind at all, but to command the difference between GOD'S requirements and man's *haughtiness*. And yet their vigorous preaching to the inhabitants of the earth has now become the direct biblical announcement of the Coming Messiah! It was in this very context that the release of the fourth among the four fearsome *horsemen* of the apocalypse turned out to be the tipping point on humanity's ungodly lifestyle. It greatly betold of how the reek of man's immoral leanings had finally saturated the centres of power in heaven. It is no wonder then, that on the July 29th day of the year 2009, and while asleep on the floor at the O. R. Tambo Johannesburg International

Airport that the LORD decided to make an unmistakable move. In that vision at the centre of the airport floor, The LORD OF HOSTS vividly Spoke with me regarding the coming of this notorious *Pale Horse* of the apocalypse. It was on that day that as I awaited the trans-atlantic connecting flight to Sao Paulo, when I fell asleep on that Johannesburg Airport floor, and moreso within the milieu of its vibrance, that I saw the vision of THE LORD JEHOVAH concerning the gaunt and melancholy that was about to befall the earth. In that Tremendous visitation, I saw the cruel and vicious rider of the *Pale horse* as he was released from the Throne of GOD in heaven, and gradually made his way towards the four ends of the earth. It was at his imminent release that the Massive Voice of The Lord Spoke out aloud from heaven saying,

"LOOK AND SEE
WHO IS COMING."

Already shaken by the enormity of The Voice Of The Lord that Spoke from heaven in that vision, I immediately upon turning left, got gripped with a great sense of panic when I saw the humongous, and gigantic horse of heaven that was coming in the direction of the earth. The horse I saw coming towards the earth was a

pale one whose demeanour exuded a great authority of ferociousness all the way. However, what struck me most about his coming was the impunity of his advent, and the obvious display of his unstoppable determination to succeed in his mission. All this cruelty was well demonstrated in the narrative of the rage of his revered pacing across the face of the earth. Firstly, it was the sheer size of his build that stunned me beyond measure in that alarming vision. And secondly, it was the unmistakable cruelty of his mean appearance that gave it all away! This is what dealt its final blow on me, when it struck me speechless, that this horseman actually as a matter of fact beheld a deathly awe. At this point in that vision, I was already beginning to well perceive that indeed this would be the fiercest of all the four horsemen of the endtime. Within that vision, it was already becoming a very serious issue on how to maintain my composure, and yet still be able to grasp this most crucial message that the Lord was dispensing unto the nations. It was in that nick of time that finally the Lord drew the *Pale Horse* with his rider towards me. With the movement of respect and almost of fear, I stood on his way thereby causing him to come to a complete and an abrupt stop right in front of me. *Death* and *hades* indeed on that day came to a complete stop right before me.

FOURTH HORSEMAN: HIS PALE COLOUR

Going by the current progression of situations that have today dissipated upon this earth, it is vividly clear that the horsemen of the apocalypse have continued to debouch-on forward unimpeded. This tenor must continue because of the critical end dispensation that the church has entered into, towards the most anticipated coming of the LORD in the *rapture*, unless mankind relents and *repents*. These prophecies on the coming of the four horsemen of the apocalypse were eloquently and faithfully transmitted to the church by the Lord Jesus Himself, in Matthew 24, Mark 13, and Luke 21. A careful examination of the manner in which the LORD Jesus relayed them in HIS oracles, reveals that their unveiling to humanity in those scriptures cannot constitute anything less than a listening-in on GOD's concealed agenda for humanity. In that significant Mount of Olives discourse, it can be accurately said without fear of contradiction that the church on that day literally eavesdropped on the sacred secrets about GOD's Throneroom, regarding the redemption of mankind. This is the principal reason as to why the prophecies on the release of the four apocalyptic horsemen thus had to be accurately fulfilled in accordance with the fullness of time. These four vicious *horsemen* of the apocalypse leave no stone unturned on their mission, thereby cardinally symbolizing the final endtime culmination of the most *traumatic* and *horrendous* beginning of sorrows to ever befall this ungodly and rebellious generation. They paint one of the most *gruesome* and *ominous* pictures ever to transpire upon the image of mankind, in this very critical *pre-rapture* season.

⁷When the Lamb opened the fourth seal, I heard the voice of the fourth living creature say, "Come!" ⁸I looked, and there before me was a pale horse!

Its rider was named Death, and Hades was following close behind him. They were given power over a fourth of the earth to kill by sword, famine and plague, and by the wild beasts of the earth (Rev 6:7-8).

WARNING!

It is very important that the church understands that in the prophetic linear scale of GOD, it is these four horsemen of the apocalypse that sound the last warning for the church to repent, and turn away from sin, in order to retrace her path back to the pre-ordained *highway of holiness* (Isaiah 35:8-9). This kind of turn-around is what would define a genuine repentance, and bear the capacity to prepare the present-day believers for rapture. Such a preparation for the coming of the Messiah would have to meet GOD'S irreducible minimum of absolute *holiness*. While it is truly important to acknowledge that the release of the rider of the *pale horse* of the apocalypse essentially marked the last warning to the church, it is however much more imperative that such warning be heeded and fully actualized into a genuine change of heart and moral re-alignment in *favour* of GOD'S *holiness*, within the realm of this present-day body of Christ. This is because following the release of the

fourth *horsemen* of the apocalypse (*pale horse*), the message that the wedding of the Lamb can take place at anytime now, is well trumpeted to even the most ardent of atheists! And that is why the effects of the fourth horseman of the apocalypse are greatly aggravated, human sophistication and advancement notwithstanding. What is particularly most telling about the mission of this fourth horse, is the fact that its rider is unfortunately called **DEATH**. Going by his name, it then becomes abundantly clear that he comes to do nothing else, other than to destroy and kill the rebellion of mankind, whose ungodly ways have riled off the patience of this hour! In its *galactic* crusade, this awful fourth *horseman* of the apocalypse appears to have been granted some raw unchecked powers to summarily take away life, of upto to a whole one quarter of the earth's population (Rev 6:7-8). Therefore, in that July 29, 2009 vision of the release of this *pale horseman*, it is astounding that his despatch greatly coincides with when the holy church of Christ (*the elect*) is taken up in the *rapture*. The critical theme then immediately becomes the tight window within which the church is supposed to prepare in absolute righteousness in readiness for being taken up.

PROPHECY OF EBOLA

The November 2009 Pronouncement
That Brought Ebola To The Earth

Immediately following the July 29th, 2009 vision of the LORD at the O. R. T. Johannesburg Airport, the MAN OF GOD THE PROPHET began to traverse and criss-cross the entire face of the earth in a relentless and unfathomable crusade to announce to the earth that He had seen the release of the *Pale Horseman* from GOD's Throne. And central to this mission was the fact that the MAN OF GOD

relentlessly hauled out that a time had now come for all humanity of all races, and all creed, to fully submit unto the unassailable Lordship of Christ Jesus the Messiah in a novel process of *genuine repentance* for their timely redemption. While that journey may have taken Him from Cities of Venezuela all through to Canada, and all the way to Seoul, South Korea, and through Europe, Africa,

and Australia, the central theme of that journey however did not ever loose focus on the release of the rider of the *Pale Horse*. Within that global conversation that the MAN OF GOD THE PROPHET had with the church of Christ worldover, HE always came out vividly clear on the horrendous unbearable and bespeakable consequences that this *Pale horseman* would bear down on the fate of humanity. Apart from trumpeting the need to observe a keen repentance, in order to mitigate on the suffering that the earth was about to undergo, the MAN OF GOD also plainly chronicled these utterances on the **NOVEMBER 2009 EDITION OF THE REPENTANCE & HOLINESS MAGAZINE WHICH CARRIED AN EXCLUSIVE FEATURE ON THE PALE HORSE.**

PALE IN COLOR

The key identity that projects from this fourth *horseman* of the apocalypse comes from none other than the fact that he is the only *horseman* whose real name is given in the bible (Rev 6:7-8). His name is **DEATH** and *hades* follows him very closely. However, the main identity that this fourth *horseman* projects, is from his *Pale colour*. For reasons arising from the aftermath he is intended to unleash across the face of the earth, this fourth *horseman* of the apocalypse can also essentially be referred to as **PESTILENCE**. In the

English Dictionary a pestilence can be defined as a fatal epidemic disease, or a disease that causes many people to die. Other versions of the English Dictionary still go ahead to define a pestilence as a **CONTAGIOUS** or **INFECTIOUS** epidemic disease that is **VIRULENT** and devastating. Moreover, other versions of the English Dictionary still go on to define a **PESTILENCE** as a deadly and overwhelming disease that affects an entire community. Nevertheless, returning to the *Pale Horse* and the identity **PALE** colour it exudes, one is able to extract out an

enormous body of knowledge that goes a long way in underscoring its intended mission. It becomes key to emphasise that *pale* exemplifies ashen appearance, like the colour of *ash*. It is this *ashy appearance* that marks the characteristic of the **DEAD**. Therefore, at the mere mention of *pale*, one is normally prompted to think of someone who is feeling **SICK, ANAEMIC-LOOKING, DEATHLY LOOKING, OR AILING**. Pale is a direct translation

from a Greek word called *chloros*. *Chloros* basically signifies the colour of chlorophyll, the property that gives plants their healthy, green colour. But used in the biblical context, *pale* then becomes the colour of **DISEASE** or **SICKNESS**, the reason for which other biblical translations describe the *pale* horse as an *ash-coloured* horse. The bible also defines it as horse *sickly-green* or an *ashy-pale* horse. Albeit, we know that Christ Jesus the revelation, is the only one who has the authority to correctly translate for the church the meaning and implication of the release of the *pale horse*. This, as we have mentioned, is because only Christ Jesus has the ascendancy to break open even the fourth seal on the scroll.

¹ There will be great earthquakes, famines and pestilences in various places, and fearful events and great signs from heaven (Luke 21:11).

THE NOV 2009 EBOLA PROPHECY THAT SHOOK THE EARTH IN 2014

The man of the *Pale Horse* signifies **GLOBAL ENCIKLING PLAGUES** and **PANDEMICS** that are soon to appear. Even greater **GLOBAL PANDEMICS ARE SOON GOING TO BE REPORTED** all across the globe, as the *rider of the pale horse* traverses the four ends of the earth. *Global pandemics* are going to be the greatest challenge for mankind to surmount in this last hour prior to *rapture*. A relationship surely exists between the second, third and fourth horseman. GOD ALMIGHTY releases these horsemen to counter the gross *disobedience* and *worldliness* that mankind has adopted towards him, in this age.

⁹ "Therefore I bring charges against you again," declares the Lord. "And I will bring charges against your children's children (Jer 2:9).

It is surely the LORD that has now smitten the earth with such traumatic experiences, as never witnessed before (Dan 12:1). And yet the Lord vividly

The healthy leaf presents the green colour of chlorophyll which represents good health and life.

The unhealthy leaf presents the pale colour of sickness and death since such a leaf is dying and loses its chloros, the green colour.

The Pale Horseman brings to the earth the pale colour implying death upon the face of the earth.

asserts that those whose names will be found written in the book of life of the Lamb, will be delivered. That can only imply that for mankind to suffer the tragedies of the horsemen. The pale horseman of the apocalypse saps away the livelihood and healthiness of mankind to the point that he lives the human being shrivelled and faint. He does this by intensifying the horrific effects of disease and sickness across the fibre of mankind. The overall effect of this fourth horseman appears to be that of rendering man totally unproductive and ineffective as a result of scavenging ravages of disease.

¹⁷ yes, this is what the Lord Almighty says: "I will send the sword, famine and plague against them and I will make them like poor figs that are so bad they cannot be eaten.

¹⁸ I will pursue them with the

sword, famine and plague and will make them abhorrent to all the kingdoms of the earth and an object of cursing and horror, of scorn and reproach, among all the nations where I drive them (Jer 29:17-18).

Like did the LORD warn Israel before the onset of any calamity, so has he warned not only the church but also the nations of the earth to repent, lest they be faced with the severe consequences of rebellion.

FOREWARNED

As all these pangs take centre stage in the troubled life of today's modern man, no christian can claim that they were not forewarned on the devastating effects of the horsemen. The scripture has been without ambiguity on the fact that these horsemen would be released in consecutive succession, at this hour prior to the wedding feast of the Lamb. The testimony of which is the book of Daniel, which, in its entirety, is an endtime prophecy. The phenomenon brought to the earth by these four horsemen were truly foretold by Daniel the Prophet in Daniel 12:1, and by our precious LORD Jesus in Matthew 24. Modernity and today's post-modernism do not fit into GOD'S requirements for mankind. The LORD'S benchmark

standard of holiness cuts across centuries, and also still binds all nations regardless of wealth and political status. As did the LORD command Israel, that if they would follow his holy requirements

they would be blessed; so has he commanded this generation. Likewise, as did the LORD chide Israel that a failure to abide by his requirements would be an automatic curse, so it is with this generation. GOD does not change, for which reason he gave us Jesus Christ of Nazareth as our intercessor before him.

Prophecy Of Severe Highly Contagious Disease Coming To The Earth

When THE LORD GOD ALMIGHTY Spoke with HIS Servant the PROPHET on that October 8th, 2012 night, regarding the coming of an **EBOLA PANDEMIC**, THE MAN OF GOD called the Radio Station and went LIVE on Jesus is LORD Radio. When HE went LIVE on air, these are the words that the PROPHET OF THE LORD Spoke to the entire globe that was tuned in. These words have been quoted verbatim in this article. "The LORD spoke with me this morning in a conversation that has just come from the THRONE ROOM of GOD ALMIGHTY. In that conversation, the LORD GOD ALMIGHTY, the Creator of Heaven and the earth, the GOD of

Israel, He has spoken with me about the coming of the MESSIAH. And in that conversation, the LORD has spoken about distress that is coming, and the LORD has spoken about a very severe disease that is going to visit the earth. These are diseases—incurable diseases that are coming to the earth. I see a severe form of skin disease. It looks more like leprosy coming to the earth. It's very, very scary because that disease is very infectious. The LORD already took me ahead of time and put me in that future day and I already saw people running, and grappling with that highly infectious disease. Anyone

who touches that disease, by greeting and shaking hands, will be infected. And it grows like leprosy over ones body and over anyone's body. When that disease does come, it will grow over the bodies of the people of the earth that are infected. It was a most disturbing dream. I was very disturbed when I woke up because it looks very bad. It was very unsightly when I saw it. Again I repeat, I see a severe form of skin infection. I don't know whether it's a disease inside the body that manifests in the skin, but it looks more like a skin infection because I saw the manifestation on the skin and all over the sides of the body. There were

The blisters and moldings on the skin that the MAN OF GOD saw way back on October 8th, 2012.

is going to be extremely infectious and it's going to be most disturbing. It will be very unsightly to look at, when it does come to the earth. When a kid is infected it's very unsightly

even know how the LORD speaks. Even when the LORD speaks they cannot perceive the

severe unsightly growths, growths, and growths that looked like leprosy all over the body. And for whosoever is infected, when they scratch those swellings, they bleed profusely. And as it bleeds then pus forms—pusy flesh! As the pus forms on those infected persons, it then begins to mould, and build up! It moulds up to the backs of those infected persons, eeeeeeeeeeh! (EXCLAMATION) The mouldings and swellings that the LORD showed me will spread on the backs of people, and their legs too. An infectious disease is indeed coming to the earth and it looks more like a skin disease and I see it grow on the bodies of the people that will be infected. It is a very fearful and infectious disease because whoever touches the door of a car with it, will infect any other person that touches the same car door. I saw people touching the doors of cars and then getting infected! Those greeting by hand were also infected. It was very, very infectious in this mighty conversation of the LORD this past night. So I see that this disease

just like leprosy is! However, it will be a little worse than leprosy because the growths protrude up like they are growing over the body. It is absolutely a crazy sight to look at! It is very disturbing. Well, upon the release of the 4th horseman the BIBLE says in the Book of Revelation chapter 6 that one of the tools that would be in play, the instrument that would be in play at this time would be diseases. And these

carnal beings. Their carnal persons; their carnal minds to try to perceive the things of the LORD. The LORD is calling upon the nations of the earth and the church of CHRIST to prepare for the glorious coming of the MESSIAH.

And this is the hour to prepare. These are the signs the LORD is using that the church may know that time for the MESSIAH to take the holy elect is nigh. The time

are the events that wind down and countdown towards the coming of the MESSIAH because upon the breaking of the 5th seal then you will see the souls of those who have been persecuted for preaching CHRIST—for testifying CHRIST; for worshipping; for evangelizing CHRIST. And that means that at that time the church will be out of this place because for as long as the church is on the earth she will always testify

is close now. May those who have their spiritual ears open and listen to the Voice of the LORD.

Shalom. **AND SURE ENOUGH, COME JULY 2014, THESE SHARP WORDS OF THE MIGHTY PROPHET OF THE LORD WERE ACCURATELY FULFILLED AND THE EBOLA VIRUS STRUCK THE EARTH TODATE. The Messiah is coming.**

CHRIST, worship CHRIST and evangelize CHRIST. And so on this 4th seal, now you can see that very strange diseases are coming to the earth in the most incurable forms, most disturbing! Their manifestation will be in the most unsightly forms. Prepare the way. Turn to righteousness and walk in holiness. Turn away from sexual sin, sexual lust. There is a lot of sexual lust in the church; the heedlessness; there is so much heedlessness, disobedience in the church of CHRIST today. They do not

Even during this August 28, 2010 night vigil, the MAN OF GOD THE PROPHET pronounced that terrible infectious and incurable diseases were coming to the earth.
